BITS and PIECES

ASSHOLE OF THE MONTH

Look, up on the TV, in the paper, at the bookstore! Is it a bitch? Is it a cunt? Is it a whore? Yes, it's Marcia Clark, super-loser. She's slimmer than a running sore...more hypocritical than a boy-fucking Scout master...able to blame her own stupidity on some other dipshit with every single breath she takes.... Super-zero Marcia Clark is HUSTLER's Asshole of the Month for September 1997.

The O. J. Simpson murder trial was a nauseous circus, and chief prosecutor Marcia Clark has consistently been among its most sickening clowns.

Sporting a hairstyle better suited to Harpo Marx, and with rings under her eyes like a raccoon on a coke run, Clark played courthouse buffoon from the trial's day one. Her very first public statement on the case (that O. J. Simpson was the "sole murderer," rather than sole suspect) was a fool's blunder, a farcical fuck-up that set in motion a 372-day parade of Marcia's bloopers, boners and botches.

What's funny about an attorney who fails to convict a murderer of a grisly double homicide when the blood of both victims is on the killer's clothes, in his car and in his home, when the perpetrator's blood and hairs are found at the murder scene, when, as Marcia admits, a blood trail led from the gate of Nicole Brown Simpson's condo directly to the foot of O. J. Simpson's bed?

Nothing's funny about two people being hacked to death and their killer running free, except that the skank who blew the case has

become a millionaire by selling herself as a hero.

Marcia Clark, the painfully shrill former prosecutor, has surfaced on *Oprah* and with Barbara Walters, cackling like a gang-banged she-jackal. The cause of 43-year-old Clark's hysterics is obvious; she has been paid \$4.2 million to sign her name to an autobiography called *Without a Doubt*. A more appropriate title might be *Without a Scruple or a Clue*.

Throughout *Doubt*, Clark rails against every character in the O. J. Simpson fiasco. While accusing all players of incompetence, cowardice and duplicity, she unintentionally exposes herself as a mediocre, bungling, second-rate legal hack.

Self-justification is the book's dominant theme; self-pity its prevailing subtext.

Clark depicts defense counsel Robert Shapiro as "over his head," a fool who "didn't have a clue what was going on in the courtroom." Did Marcia read her own book? *Without a Doubt* chronicles a string of Shapiro's tactics that catch Clark off-guard and leave her standing ill-prepared and flustered before the bench.

Marcia Martyr deems the press "vultures" whose "accounts are not worth the paper they're written on." And yet, as reported in *Without a Doubt*, the media's superior initiative again and again beats Clark to hard evidence, most notably Nicole Simpson's 911 tape and Detective

Mark Fuhrman's psychiatric evaluation, crucial materials that Clark failed to see were sitting in her lap.

The "dream team" of defense lawyers, in Marcia's intuitive hindsight, are derided as clashing ego monsters. This same criticism applies to the infighting among prosecutors, police and county criminalists, as depicted in *Without a Doubt*. The defense, to their credit, did at least win the case.

Finally, Marcia asserts that whether or not she and her co-prosecutor, black male Christopher Darden, were on fucking terms during the trial has "no relevance."

Is Marcia truly oblivious to the "black cock" factor? Was she blinded by that very black cock itself?

African-American women, of whom six were on the Simpson jury, notoriously resent white women who lure a successful black man's cock from his race.

Marcia recklessly infected the proceedings with black-cock fever. Though she now coyly denies that Darden's veiny eel ever pulsed in the muck of her midlife flaps, throughout the trial she gave the impression that Christopher's leathery testicles were in the palm of her dishpan hands.

The nation envisioned Darden's spunk filling Clark's crows' feet. The black jury women pictured Marcia draining Darden's cum, siphoning his soul and his blackness. As Johnnie Cochran surely realized, *If the white cunt steals black dick, the black ladies will acquit.*

Marcia Clark a super-Asshole? Without a doubt.

Pastor David Proffit: A moral rector of the Licking River Baptist Church of Salyersville, Kentucky, Pastor David Proffit moonlights as a movie critic. Proffit gave his congregation a thumbs-down on *The People vs. Larry Flynt*, saying, "Larry Flynt has done more to disgrace my Lord than anyone I know. I forbid you to see this movie." The pastor had never

Farts in the Wind

seen the movie he condemned. Proffit's mouth formed the words, but he was talking out his rectum, something holy Assholes do.

Darnell "Boss Man" McGee: So far, 12 women who had sex with East Saint Louis, Illinois, roller-skating whiz Darnell "Boss Man" McGee have tested positive for the AIDS virus. One of Boss

Man's lovers has delivered a baby infected with HIV. McGee had unprotected sex with at least 60 girls, ranging in age from 12 to 22, after testing positive for the AIDS virus in 1992. The Boss picked up his women at junior highs and skating rinks. On January 15, McGee was shot by a .45-caliber pistol, popping a new Asshole in Boss Asshole's head.

Beaner Babies

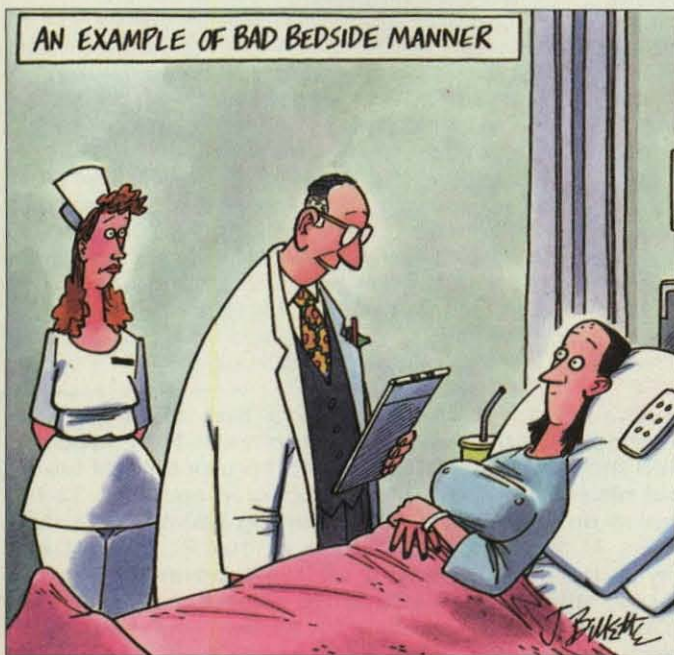

This month's edition of *Bits & Pieces* is a fiesta of Mexican mirth; call it *Bits & Pesos*, but don't call it late for the *chile relleno* combo plate. The laugh immigration begins with a look at the latest trend among *cholos* of all ages: Beaner Babies! These adorable creatures are available with the purchase of a Happy Hispanic Meal at the McBeaner's restaurant chain. The *chicas* behind the counter squeeze out new Beaner Babies every day; so they're even fresher than the food.

At McBeaner's, you can have it your way, *ese*.

The young lady on all fours seems a bit distracted. Perhaps she's trying to fathom life as a senior citizen who picks up HUSTLER and sees a picture of her former self.

J. Scott receives \$150 for this thoughtful snapshot. Send timeless tits and ass to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

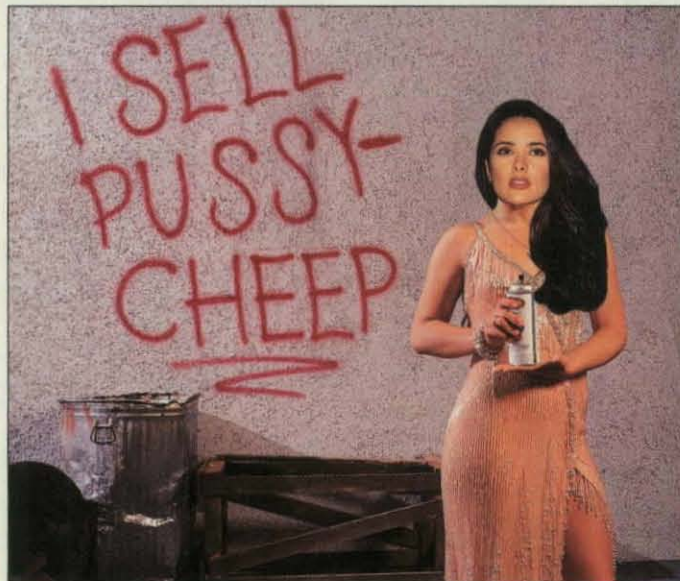

Bubba Clinton here, unpeeling my lips from Hillary's sticky snatch to speak on behalf of the North American Free Trade Agreement (NAFTA). Seems many of you readers believe NAFTA will create a welfare underclass and send the U.S. economy south of the toilet. I feel your pain, amigos. As a HUSTLER fan, I have drafted the services of two spicy, Mexican humping beans—Salma Hayek and Jennifer Lopez—to explain why...

YOU HAFTA LOVE NAFTA!

Look what NAFTA has done for the movie industry! Mexican actress Salma Hayek (left), star of *Desperado*; Mexican actress Jennifer Lopez (right), star of *Selena*.

Freer trade means exchange of Mexican and American cultural traditions. Graffiti is artistic expression for our brown, border-hopping neighbors. Salma's masterpiece conveys a universal message: "You may have been laid off, gringo, but you can still get laid!"

NAFTA's like a big sombrero—there are strings attached. That stimulated-market-economy housekeeper may be a syphilitic whore in maid's clothing. Only fools rush into *picante* pools without a condom.

My fellow HUSTLER readers, let's open up government procurement...and FUCK! (But don't tell Señora Hillary!)

PARODY. NOT TO BE TAKEN SERIOUSLY. CELEBRITY HEADS STRIPPED ONTO OUR MODELS' BODIES; CELEBRITY BODIES STRIPPED INTO OUR MODELS' CAR. THESE STATEMENTS WERE NOT ACTUALLY EXPRESSED BY PRESIDENT CLINTON OR SALMA HAYEK AND DO NOT NECESSARILY REFLECT THE VIEWS OF HUSTLER, EXCEPT THAT SALMA AND JENNIFER ARE FUCKING GORGEOUS.

Once upon a time, tabloids were the journalistic equivalent of a crack whore's blowjob: cheap, toothless and a sleazy thrill. These days, even the *New York Times* reports on murderous celebrities and philandering

HUSTLER invites scissor-happy readers to hack out the following ingredients for scandal. Then arrange each element in the UFO setting provided

Of the more than 60 women I slathered in sperm last year, many caught HIV. That's typical of me, Darnell "Boss Man" McGee. You may have read in *Time* or *Newsweek* how I tested positive for AIDS, then engaged in unprotected sex with chicks as young as 12 years old. I would've bagged more if some jealous motherfucker hadn't popped my skull with a point-blank gunshot. At least I don't have to suffer a painful, protracted death due to AIDS complications—unlike some people I know.

Dear SLUT

JEANNA FINE TELLS THE FUCKING TRUTH

This month, in response to reader requests, HUSTLER introduces Dear Slut: Jeanna Fine Tells the Fucking Truth, a regular column offering advice on all matters sexual. Each issue, XXX virtuoso Jeanna Fine will answer questions from readers thirsty for carnal knowledge. This first time out, Jeanna tells us a little about her erotic qualifications and addresses a few of the most mystifying aspects of the fucking truth.

THE DOCTOR RUTH OF PORN

I'm considered the Dr. Ruth of porn among fans. On the road, when I'm posing for Polaroids and signing autographs, men ask me questions they can't ask other women.

A lot of my fans are with wives or girlfriends who aren't exhibitionists. The ladies insist on doing it with the lights off and would never say *cock* or *pussy*. Since the women are inhibited, it makes the men uptight as well. The guys feel like they're being perverts if they even mention anything freaky. So they come to me.

ETIQUETTE OF THE THREEWAY

A lot of men want to see two women together and want to know how to approach their wives or girlfriends about it. First of all, I tell them, if you don't have the best relationship in the world, don't bother to bring it up. If there's even an ounce of jealousy between you and your distaff half, you'll be in hell. But if she flippantly mentions a taste for tuna-flavored adventure, or you guess that she might be game, get an all-girl movie. The next time you and your steady are between the sheets, pop it on.

Once you can fantasize together about sex with another woman, then you want to keep the focus on your leading lady: Talk about how hot she'll look licking a pretty pussy, how beautiful she'll be entwined in another woman's arms. The

theme of your sales pitch has to be how you'll get off seeing your lover with this other girl. You don't want your wife thinking this is just a sly way for you to screw another chick.

Now, how do you find that third-party girl? Gay bars have bisexual nights, and you can go that route, but watch your back and always practice safe sex. You can try the personal ads. Check out your neighborhood swingers club. It may be underground, but if you live in a straight, suburban area, there is probably a swingers scene going on. Do a little sleuthing. Stop by the local adult-book store and keep your ears open.

Once your team's assembled, remember the golden rule: Keep your woman happy. Never whisper in the other girl's ear without your wife or girlfriend being able to hear. Don't spend too much time screwing your guest. Instead, fuck your wife while she's eating the other girl out.

Above all, never, ever come on the other woman. Always save your sperm for the one you love. If it's a sleepover, don't jump in the middle. Put your wife in the center and cosy up next to her.

COACHING THE FARM-TEAM STUDS

Another question men always ask is, "How do I get in those movies?" I always reply, you probably don't want to. It's not as easy as it looks.

For starters, you're forced to live in Los Angeles. The new dick on the block doesn't work with girls like me. You start as a bottom feeder and fuck your way up. Time is money, and directors can't afford to find out whether or not Romeo can get it up, keep it hard and make it come on command.

The room is 110°, there are 15 people watching, smoking cigarettes, eating, talking, and you're banging a girl who's less than thrilled to be screwing you. On top of all this, there's a man with a camera five inches from your dick, another guy's scorching your balls with a blazing-hot light, and you're not fucking in a normal, comfortable position because then the camera can't see; so you have to be a coital contortionist as well.

After an hour of this joy, the director barks, "Okay, we're ready for a pop-shot." And he means now.

Still think you can hack it? Then move

Dear Slut

Don't just start from scratch with sodomy. You must work your woman into a state of high sexual excitement if you want butt.

(continued from page 11)

your ass out to California and get another job, because it's going to take some time before you can pay your bills.

Don't get me wrong. We all love our careers. Porn is a lot of fun. But it's tough work, best left to professionals who know how to enjoy it and make you enjoy it too.

ASS MASTERY

The first thing I have to say about anal sex is: If you want to stick something in your wife's butt, then you should be willing to let her stick something up yours. If you think this makes you gay, then you shouldn't be having anal sex.

Don't get scared. I'm not talking about taking a ten-inch strap-on. While your wife's blowing you, let her slip in a finger. In my experience, more than 80% of men love it. A man's clitoris is his prostate, and a good finger goes a long way. Once you start to enjoy digital exploration, you'll know how anal sex should be approached—the key words are *gentle* and *lubrication*.

For the woman, the worst part of anal sex is the initial insertion. Your partner has to know straight up that, yes, that first entrance is going to hurt.

Don't just start from scratch with sodomy. You must work your woman into a state of high sexual excitement if you

want butt. Start her off with hot, nasty vaginal sex, talking dirty and getting that adrenaline pumping. Tell her, yeah, I'm gonna do it, baby, it's gonna be nasty and...POP! Stick the head of your cock up her rectum, just up to the shaft. Then STOP. Hold still for a second. Give her a chance to adjust.

Meanwhile, your honey should be fingering herself or using a vibrator the whole time. I can't stress this enough. She needs to play with her pussy. Then, slowly, you pump. Work your cock all the way up her tailpipe and commence sliding, using plenty of lube.

After the lady comes, and I almost guarantee that she will come, don't overstay your welcome. Carefully and promptly pull your dick from her ass, because her sphincter muscles are about to tighten back up. Don't continue to madly fuck her ass until you've had a lot of experience with this. You'll hurt her, and she won't let you do it again.

When it comes to anal sex, cleanliness is next to godliness. Never take your dick out of her ass and stick it in her pussy or mouth. Always wash your cock thoroughly before you do anything else with it.

One more rectal tip: Some women can't relax enough to enjoy a good ass screwing because they're worried about being dirty. If she's a normal gal who takes a shit every

day, her ass is probably okay. But if she's nervous that a big old turd is lurking inside her buttock, she should stick a finger up there and see what's going on. If she touches anything untoward, then take a regular, store-bought enema and use it like an ass douche. Don't stand upside down and wait five minutes to flush out all the pipes. Just rinse out whatever's in the lower colon. She can relax and have fun instead of worrying about shit on your dick.

MINOR THREAT

The biggest insecurity most men have is fretting about dick size. Well, it ain't the meat, it's the motion. Besides, girth makes more difference than length. As for the guys you see in porn, my husband always says, the camera adds ten pounds.

Men like Rocco Siffredi, Tom Byron and Peter North really do have huge dicks. The great thing about these big guns is that they know how to use their power responsibly. A cock that size is a danger to normal women. If you're really hung, be kind. We girls need time to work into these things. Don't just start slamming. God, I hate that.

EATING HER HEART OUT

Foreplay is 98% of the game. Whatever size you are, if you can get your woman off orally or manually before you insert, then you're way ahead. The worst thing a guy can do is give sloppy oral sex.

A lot of men see giving head as a prerequisite: Here, I ate your pussy so that I could spit on it and moisten it up for my dick.

Put some effort into the job. Don't eat pussy the way you see it done in porn. When actors stick their tongues out and lick up and down like it's an ice-cream cone, it's for visual purposes only. There's nothing worse than dudes who give head like there's a camera over their shoulder.

Eat pussy like you're giving a French kiss, like your woman's twat is her mouth. Use a gentle sucking motion with soft flicks of the tongue. After some time, concentrate on the clit. When you find the spot and the speed that's working, stick with it. Don't switch to something else. It throws everything off.

Finally, get to know the girl first. I've never had an orgasm with a guy I just met. My clit is right between my eyes. If you can fuck with my head, we'll have great fucking sex.

NIKKI & BOBBY

PHOTOGRAPHY BY SUZE RANDALL

Bobby's new employee, Nikki, is very experienced at working with wood. She carefully checks the plank's grain, makes sure the timber's not warped and then pounds it into place.

Bobby wasn't planning on expanding his operation; but Nikki showed him her qualifications. He might have a position for her after all.

Nikki still has a few things to learn about ladder safety and cleaning up the job site. But, like Bobby, that will come with time.

FEED BACK

No Dick, No Balls, All Asshole

So, Howard Stern thinks he is a "poster boy for the First Amendment" and that he "could have gone that way with [his] movie." That rim-lickin', pussywhipped mama's boy couldn't fight his way to victory for the last tampon in the ladies' room, let alone battle for First Amendment rights in the manner in which Larry Flynt has! Thank you, dear HUSTLER, for putting into words ("Asshole of the Month," *Bits & Pieces*, June '97) the exact sentiments millions of us feel toward that whining sphincter, Howard Stern. —L. E. Costa Mesa, California

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Great choice on the "Asshole of the Month" for your June '97 issue! Howard Stern is the biggest stinky, festering, pus-filled asshole ever to fill the airwaves. There was once a time when I thought he was funny, but now he has proven himself to be just an asshole. Last week I changed stations on my radio to find his arrogant ass on with Fiona Apple. She was talking to him about how she had to go to a special high school for emotionally troubled kids and how she was raped when she was 12. Asshole Stern was laughing and cracking jokes about it to her face. To me, rape can be funny if you imagine Elmer Fudd raping Porky Pig, but it isn't funny when it happens to a real person. Stern is a self-hating ass who takes out his hate of his own small-dick, married life on his audience and guests. I wish he would get the fuck off the radio in Detroit once again! —R. S. Clinton Township, Michigan

We couldn't agree more. Except we'd have to check about Fiona Apple being a real person.

Pussy Fart in the Wind

I love your magazine and your humor. But I'm wondering if we can nominate anyone for "Asshole of the Month"? If so, I'd like to nominate Jenna Jameson. Yes, Jenna, a/k/a the Toxic Twat. After seeing her show in Pennsylvania, I know

why Al Goldstein called her that. She is a true stuck-up bitch. That was the first show me and my friends simply walked out of. According to HUSTLER EROTIC VIDEO GUIDE, she cops an attitude with everyone, saying no one would have a job if it weren't for her. Wake up, Jenna. Maybe you made them, but we made you! If Howard Stern wants her, he can have her. Porn was here before Jenna,

and it will be here after her. She is as fake as her breasts.

—A. J. Reston, Virginia

There's a fine line between a pussy and a cunt: Howard's both, but let's hope Jenna is just a pussy on the rag.

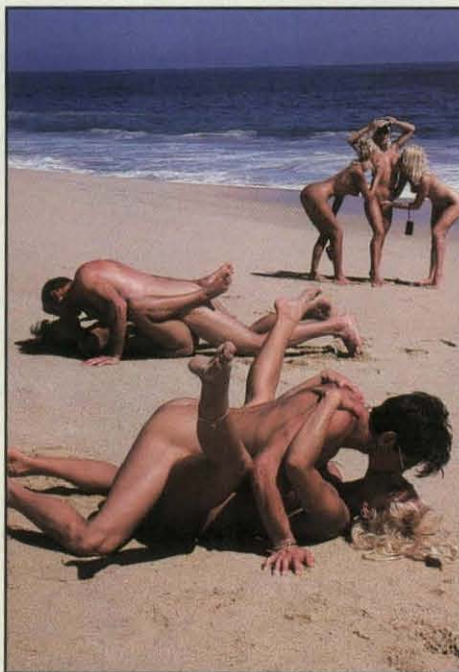

Fucking Dummies

The love-doll article (*My Beautiful Balloon: Testing the '97 Model Blow-Up Sex Dolls*, June '97) was funny, but that guy must be awfully horny to fuck a rubber toy, on top of being stupid, since he didn't have the brains to clean out the damn dolls and then wondered why they stunk! —H. M. Alderson, West Virginia

That's where you're wrong, H. M. Our reporter's no fool. Calvin used a condom when fucking the dolls.

Multiple Orgasms

I'm a 19-year-old male who's been reading HUSTLER for more than ten years. Don't get me wrong. I don't condone minors viewing pornography. That's just the way it worked out in my life. I just bought the June '97 HUSTLER. Way to go! Two thumbs up from me! *Beach-Blanket Ballout: Johnny and Nick vs. the Cabo Girls*, with two guys and five girls, is the best layout I've ever seen in any magazine yet. But leave it to HUSTLER, (continued on page 37)

Satyr

HALF
ERECT

Directed by Michael Zen;
starring Jenna Jameson, Asia Carrera,
Missy, Chloe, Stacy Valentine,
Brad Armstrong, Mickey G., Peter North,
Mark Davis and Tom Byron.
Videocassette: Wicked Pictures.

Satyr, Wicked Pictures's long-anticipated, big-budget sleaze epic, has finally arrived. Most directors would be satisfied with this heaven-sent bounty of raw materials: Jenna Jameson's cock-hungry pillow lips and floating breast bubbles, Asia Carrera's upturned ass, Missy's mean-spirited lust for violent degradation. Michael Zen demands more. The concept-damaged lensman succumbs to his base urge for ponderous theme thumping—hiding Jenna's pulsating sexuality in furry, hoof-heeled boots and bird-nest wigs, wrapping Chloe in ridiculous blue-peacock garb that obscures her wiggling tits, pausing his camera lovingly on the overdone grunting of his hammy studs. Too bad, because underneath all this crap, the rabid fucking cries out for the viewer's warm goo. Message to Mr. Zen: We're the bone-hard half-goats jacking off, not you.

Bel-Air Blowjobs

On the Set of Chuck Martino's *Buttwatch—The New Recruits*

Rauch-video director Chuck Martino sits in a lounge chair on the sun-drenched veranda of a Bel-Air, California, mansion as scruffy crew members and porn floozies in various states of undress mill around, waiting for their scenes in *Buttwatch—The New Recruits*.

"You look like a crow," Martino shouts to a passing porn slut. "Why'd you put on so much makeup?"

Down a flight of stairs by the pool, XXX newcomer

Ray Lene sucks Alec Metro's dick in front of a camera. Ray Lene's boobs, stuffed with implants purchased a few months ago from her earnings as a bank teller, bounce at a fast clip. She moans rhythmically, then abruptly spits out Metro's joint when a gust of wind blows down the lighting technician's four-foot reflector. The camera is stopped. The reflector is moved back to position. Ray Lene puts the prong between her lips and resumes moaning.

Inside the palatial home, kitchen counters are piled with unused douchebags, anal lube, boxes of take-out chicken for cast and crew, and grease-palmed bottles of soda. Mila, a Russian hellion known for her ability to turn her sphincters inside out like a stink blossom, sashays in, topless.

"I've got cum in my eye," Mila grouches, tamping out her cigarette in a potted plant.

Across the room is a marble dining table Mila cracked earlier during a violent ass-fuck scene.

Bernie, owner of the broken table and the trashed mansion, enters grinning. Bald, shirtless and endowed with the physique of an earthworm, Bernie squirms happily in the presence of Mila's tits.

"Hiya, baby," Bernie squeals, wiggling his doughy arm around Mila's shoulders. "Be a good girl and don't break any more of my furniture."

Behind the mirrored bar hangs Bernie's collection of celebrity photos—Bernie in a limo with Michael Jackson, Bernie and Cher, Bernie and Billy Idol, Bernie shaking hands with Henry Kissinger. Bernie used to be a successful record producer.

"I just can't keep my hands off you beautiful girls," Bernie exclaims, squeezing Mila tighter.

"What a schlub," Mila sneers. Bernie creeps off, following a cast member's naked ass outside.

Out on the veranda lounge chair, Martino complains about bad reviews. "I don't like it when cocksucker critics put me down. I bust my ass making these movies."

Why is he sitting 50 feet from the action, eating chicken wings during the filming of his epic?

"They're just fucking," Martino explains. "I direct the dialogue."

Finished with her nonspeaking role, Ray Lene wipes the spuzz from her smile and opens the script to practice her dialogue.

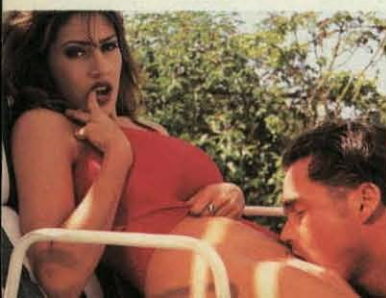

"Is that a dick I can suck?" she reads, then looks up angrily. "Is this my only fucking line?"

Buttwatch—The New Recruits will be available from Sunshine Films Inc. as soon as Ray Lene masters her dialogue.

Bedtime Stories

ONE-QUARTER ERECT

Directed by Roy Alexandre; starring Helen Duval, Nena Cherry, Kelly Jean, Papillon, Sandra Sommers, Alex Sanders, Mike Horner, Dave Hardman, Rick Brock, Tony Montana, Devlin Weed and Jeremy Steele. Videocassette: VCA.

The soundtrack of *Bedtime Stories* hisses and pops whenever characters speak, rendering most dialogue unintelligible. Relief from the audio irritations comes when Mike Horner silences his onscreen wife, hard-edge blonde Nena Cherry, by shoving his dick down her throat. Cherry's puffy yet firm butt cheeks rise majestically; Horner aims his javelin center crack and spears her sphincters. The story unfolds with a great deal more indecipherable jabbering. Various stuffed-tit sluts meet stiff pricks that poke their assholes and splooge on their faces. The best scenes include Papillon, a complicated-looking piece of ass with natural teats, a spike pierced through her tongue, a butterfly tattooed on her groin and a snarly sex appeal that reaches its zenith when schween pulled fresh from her sphincters spackles her chin with wad. Nevertheless, *Bedtime Stories* won't keep anybody up for long.

The Best of Sandy

THREE-QUARTERS ERECT

Directed by Rocco Siffredi; starring Sandy, Perla, Rocco Siffredi, Sidney L'Amour and hundreds of guys from the Rocco Siffredi fan club. Videocassette: Evil Angel.

One day a bubbly, 18-year-old Italian nymphette wrote a letter to Rocco Siffredi, asking how she could experience the magic of adult cinema by having her pooper reamed raw on film. So began Sandy's career as gangbang slut in dozens of Rocco Siffredi productions, the finest scenes of which are compiled in *The Best of Sandy*. Sandy's pouty lips devour putzes, scrote sacks, pussies and assholes. Her blue-eyed doll face sops up dozens of gooey spunk loads. Sandy kneels, hourglass ass writhing, and blows half a dozen Africans. She grins as a girlfriend spits strings of jizz into her mouth. She jerks Rocco off on the back of a speeding motorcycle. Rocco cornholes Sandy, dunks her head in a toilet and spews on her cheerful smile as it drips with commode water.

Lesbian Connection #4

HALF ERECT

Directed by Tony Martino; starring Johnni Black, Coral Sands, Victoria Gold, Sindee Cox, Yvonne, and Jill Kelly. Videocassette: Sunshine Films Inc.

Lesbian Connection #4 director Tony Martino has assembled a gaggle of clit-strumming carbon copies—big ass, bottle blond, bondo bazooms, orange skin—and drawn up a sex routine that repeats five times—lick, lube, strap-on and stab ass with chrome rectal rocket. Granted, the sapphic formula bears spermy fruit the first scene or two. After these initial shots, the unflagging wanker has only Yvonne's brunet locks to look forward to for variety.

Kelly Jean, top to bottom.

Sandy screws Asians with 3-inch dinks, opens her shit valve to a busty, well-hung transsexual and submits to several multiracial, DP gang-bangs. *The Best of Sandy* proves there's no slut like an Italian slut.

—M. A.

Maxed Out #1

HALF
ERECT

Directed by Max Steiner; starring Barbie Angel, Geena Hagen, Kim Ji, Alex Sanders, Don Fernando and Max Hardcore.

Videocassette: Filmwest-Legend.

A speculum is a clunky, uncomfortable instrument used to "dilate body cavities for medical examination." Tell that to Max Hardcore, amateur gynecologist. Like a pornographic Dr. Mengele, mad Max employs two specula to peer deep within the lumpy, pink moonscapes that are Geena Hagen's vagina and lower intestine. The medical benefits are unclear, but Max's experiment does allow the viewer to observe ass-invading prong thrust in bas-relief against Hagen's vaginal ceiling. The effect may be erotic for porn fans who tear the wings off pinned flies in their spare time, but for snatch prowlers with more pedestrian pussy tastes, *Maxed Out #1* is another point against Hardcore's increasingly bad credit.

—R. C.

PNEUMATIC: Ardell does her impression of a slut with a dildo up her ass.

Joannie Pneumatic

THREE-QUARTERS
ERECT

Directed by Herschel Savage; starring Tatiana, Selena, Davia Ardell, Nicole London, Vince Vouyer, Steve Drake and Dave Hardman. Videocassette: Hip Video.

Joannie Pneumatic presents three velvety brunettes and a torpedo-tit blonde, Davia Ardell, in a jack-off comedy. Tatiana, a slinky predator with viper eyes, lunges at two choad sticks before being pinned down by a couple of goonish snake handlers on a bar top, her twat and brown winker speared simultaneously. Venerable cock-sucker Nicole London dresses like a nurse and has her clam slammed on the floor of a mental hospital. Scene ends with the resultant ejaculate sprayed onto London's muff fluff. Selena's symmetrically plump lips, limpid eyes and cream-dollop bazooms are inspiration to beating off, but the view is no less inspiring when Selena's smooth-as-butter butt cheeks turn to camera, and an enviably close prong wriggles into her glistening glad hole. Blown-up boob doll Davia Ardell pops into the mental-hospital set for a strap-on catfight with Nicole London, and the viewer pops many times at home before *Joannie Pneumatic* splashes to a close.

—M. A.

THE BEST OF SANDY: Rocco loves Sandy.

Furious Growth Warms Some in Adult Industry, Sickens Others

Pam Winter, the publisher of *Hair to Stay* magazine and a major distributor of furry-female videos, does not beat around the bush.

"Shaved women are *blah!*" Winter declares, bristling with contempt. "Any man that likes a woman who totally shaves everything is probably a pedophile."

Winter is not without personal bias. She is, she proclaims, "one of the hairiest women in the world."

"Men are sick and tired of bleach-blond, shaved and silicone women. They're buying my adult tapes because they see something they can't get anywhere else, not even at home."

Bush queen Sandra.

Heavenly Hirsute Laurel: The Very Name Means Bush! is one tape produced by Winter. The subject of the video, Laurel, is a young, dark-haired lovely with tufts sprouting from her calves to her armpits. When she drops her panties, twat hairs splay as a wide welcome mat.

"I enjoy it when a man pets my trail," Laurel whispers in the opening teaser, seductively fingering the fuse of gunpowder-black hairs that runs from her navel to the explosion of long, curly tufts in her muff. "I like watching a man get lost in all my hair, going down on me, trying to find my clit."

According to Tim Lake, owner of Xplor Media, videos featuring unclipped chicks are no longer a fringe item. "The majority of our titles feature mainstream porn stars with bald beavers, such as Felecia, Kim Kataine and Elsa, but what is our biggest seller? *Homegrown's Hairiest Pussies.*"

Rodney Moore, spurred by the popularity of the hirsute sweethearts in his *Cumm Brothers* videos, has been combing the Pacific Northwest for woolly women. "Seattle has tons of hippie chicks who don't shave for political reasons," Moore enthuses. "I'm even finding some who aren't ugly."

Of course, ugly and hairy do not mean the same thing. An ugly chick is still ugly even if you take the paper bag off her head and shave her mustache.

If you are 18 or older, a catalog of all videos mentioned may be ordered from: *Hair to Stay*, Winter Publishing, Inc., P.O. Box 80667, Dartmouth, MA 02748.

Sandra, hairier than Ron Jeremy.

Anal Maniacs #5

HALF ERECT

Directed by Alex Sanders; starring Kaitlyn Ashley, Jacklyn Lick, Cassidy, La Tigra, Sid Deuce, Alex Sanders and Jay Ashley. Videocassette: Wicked Pictures.

XXX hair farmer Alex Sanders is a multitasking bone man and director. Comedy, however, is something Sanders should put on his not-so-talented list. Sanders's schtick in *Anal Maniacs #5* is limp, but his skill at lensing and butt-fucking big-top talent is nothing to laugh at. A hairless, oozing gash belonging to Cassidy fills the screen in the opening segment. Cassidy's churning, overfilled milk shakers gyrate into the frame as Sanders's meat piston thrusts up and down Cassidy's vaginal and anal cylinders at steady cruising speed. The satisfyingly bumpy ride on Cassidy's rearend finishes with Sanders blowing his rod on her chin. With jet-black hair and cadaverously pale skin, natural tit La Tigra has a sulky allure greatly enhanced by Jay Ashley's cock crammed in her face and stuffed in her shit can. Only four sex scenes are offered in *Anal Maniacs #5*, and that's funny, but not humorous.

American Sweethearts

HALF ERECT

Directed by Stuart Canterbury; starring Kim Kataine, Kia, Nena Cherry, Shelly Lyons, Randi Storm, Chaz Vincent, Nick East, Sean Rider, Marc Wallace and Kyle Stone. Videocassette: Pleasure Productions.

American Sweethearts is an homage to the glory days of male chauvinism when women could be treated like pieces of meat on the job. Marc Wallace plays a boss interviewing new hire Randi Storm. "This is not about harassment," Wallace explains, throwing his mitts around Storm's hooters, "this is about relationships." In the real world, Wallace would be on the

receiving end of a lawsuit—or rape charges if he were in the military. In the kinder world of XXX, Wallace's schlong winds up on the receiving end of Storm's tongue. Storm, a big-ass blonde with more breast and thigh meat than a family-size bucket of chicken, proves her company loyalty the old-fashioned way—by taking a prick up her buttock and eating loads of cum. Kia competes for employee of the year, humping a succession of working stiffs on a loading dock and desktop, before Kim Kataine, who plays a stuck-up cocktease, finally surrenders the pink. *American Sweethearts* is average fare for the jerking man.

—M. A.

Joe Elliott's College Girls #45

HALF ERECT

Directed by Joe Elliott; starring Amy, Shelly, Janice, and Joe Elliott. Videocassette: A.V. Productions.

College Girls is truly amateur. The girls truly look like first-time tramps plucked from an off-campus bar. Elliott's camera work is truly atrocious. But the video has a creepy, voyeuristic appeal, as if the action is glimpsed while peeking through a closet door. Amy, a raven-haired tart with pale-white skin and spider tattoos seems slightly wasted. Her blue-green eyes stare up blearily as Elliott fucks away at face and twat. How much she'll remember the next morning is debatable, but three wad-shots to her chin are now immortalized on videotape. Shelly guzzles white wine from a goblet, thumb wrestles her clit and lies back in a wrinkled slip for Elliott to jack off on her floppy tits. Janice is a perky brunette who looks like a salesgirl in the junior-miss section of a department store. Unfortunately, Janice doesn't get juiced enough to go any further than performing a nudie-cutie striptease while bunny hopping on the bed. *Joe Elliott's College Girls* is a decent refresher in Dumb Sluts 101.

Intense Perversions #4

THREE-QUARTERS
ERECT

Directed by Cheeks;
starring Cort Knee, Tatiana, Shawnee,
Dijana, Rayveness, Mark Davis,
Jake Steed, Dave Hardman
and Young Doc.
Videocassette: Pleasure Productions.

Red-ink target circles drawn on her fanny, Cort Knee waves that hind like a matador's cape until snorting Mark Davis bulls into her ass eye with his blood-heavy dart. His prod goes in easy, still slick from Tatiana's buttery pussy juice, which leaks from a wad-nurturing twat as warm and wet as the mouth of a cow. Dark-haired Tatiana is choice meat: Fleishy butt flanks, undoctored yet unbelievably firm udders and her graceful, fine-boned frame qualify Tatiana as possibly the lushest full-service slut currently working in sleaze cinema. Despite her obvious aloof-superstar potential, the tawny tramp submits her grade-A nethers to a tenderizing, two-prong reaming, playing patty for a Jake Steed/Dave Hardman sandwich fuck. The kinks in *Intense Perversions #4* aren't too extreme, but beautiful Tatiana's charged rutting will push loaded nads past the brink.

—R. C.

INTENSE PERVERSIONS #4: *Tatiana prepares for a snake dance.*

Living on the Edge

THREE-QUARTERS ERECT

Directed by Gregory Dark; starring Jill Kelly, Vanessa, Cort Knee, La Tigra, Randi Rage, Kay London, Dru Berrymoore, Li'l Red, Eric Price, Tommy Gunn, Paul Cox, Ron Jeremy, Michael J. Cox and Guy DiSilva. Videocassette: Evil Angel.

Bitches have driven the black-clad narrator of *Living on the Edge* fucking crazy. The angry young man opens the flick cursing out a large, stuffed, sombrero-wearing donkey. Once he realizes the true source of his suffering, Angry Man focuses his abuse on a series of empty-headed, order-taking cock containers who spread their pliable sphincters on his spiteful demand. Orchestrating jackass gang-bangs that develop, scene by scene, into a spunk-sooted opera of female degradation and defilement, Angry Man culminates his vision in hellish directives to blond fuck hole Dru Berrymoore: Lick Ron Jeremy's armpit! Lick the fat fuck's grease-leaking ass! Accept this raw egg in your mouth! Mix the yolk with these shots of splooge! Let the cum and embryo leak down your chin—don't spit up till I say so! Gregory Dark's Angry Man spits bile onto several luscious female bodies in *Edge*, but more disturbing is Dark's portrait of a soul that has gone off the deep end. —R. C.

T. Boy. Videocassette: Plush.

Director Jim Holliday, hailed by his own box copy as "[t]he originator of the double combo-voca-

LIVING ON THE EDGE: Jill Kelly's donkey show.

LIVING ON THE EDGE: Spearling Cort Knee.

tional fluff epics," is first and foremost a blithering windbag. Secondly, he is the highly unlikely procurer of jiggle-sacked legions of top-flight sperm garglers for his boffo, 20-bimbo meat-beat extravaganzas. How the fuck does windbag do it? Misty Rain bucks on pole like a spooked horse! Missy yaps at flung spunk like a pooch snap-

ping at a water hose! Double-digit lesbo orgies are piles of writhing, flopping pink clams! Not even windbag's dunder-headed dialogue dampens the obviously chum-starved enthusiasm of the gleet-seeping cast. Idiotic title notwithstanding, *Cheerleader Strippers* is a shining example of ball-boiling, idiot-savant sleaze. —R. C.

the best magazine ever, to do it! Every issue is always better than the last. Keep up the good work, and I'll continue to be a faithful reader.

—J. A.

Sheridan, Wyoming

Your faith will be rewarded, J. A. In an upcoming issue, history will be made when one brave man takes on 100 twats. Count on us to keep raising your stakes.

Perverts for a Clean America

I thought the Chevron parody in the April '97 issue (*Big Oil Swill*) was a hot environmental piece, but you really wowed me with your article *The Wages of Waste: The Deadly Nuclear Skeleton in America's Closet* (June '97). Author Gregory Dicum really did his research and uncovered enough tough information to inspire us to get with it or prepare to mutate! Thank you for tucking the true grit about this ghastly and timely concern between the pages of HUSTLER Honeys. I sure would hate to see all that velvet skin and titillating curvature turn into lizardlike, wart-covered adaptations. In one of Dicum's interviews, it was mentioned that cleaning up nuclear waste could take generations, a project comparable to building the pyramids. Bring us the modern mathematical pharaohs, and let's get the job done!

—P. V.

Atlantic City, New Jersey

No clean-living American should tolerate the filth these radiation peddlers are dumping on us all.

Bring on the Beavers

Thank you very good people for an excellent publication. I would like to extend a special thanks to all the amateur honeys who send their photos to *Beaver Hunt*. I would like to see a whole issue devoted to the Beavers who have appeared in your magazine. Do you publish such an issue, and how can I get one? Thanks again to all women who show themselves off for men's pleasure!

—D. C.

Cathedral City, California

Beaver Hunt's finest catches are ready for mounting, D. C., in HUSTLER's BEST OF BEAVER HUNT #17, coming to finer newsstands everywhere on May 20, 1997.

He Did It His Way

I just saw *The People vs. Larry Flynt*. It made a great impression on me. What a

brilliant, clever person you are. I am a 44-year-old female, pretty open-minded, even though I have never been involved in the things portrayed in your movie. I hope you got a lot of letters like this, because I think you are a man to be admired and respected. You seem to have led a good, honest life (mostly), and you have lived, loved, lost and found. I really cannot praise you enough. No film has ever impressed me as much, and I have never written a letter like this. I even bought two HUSTLER magazines to read. Hold your head high, man, and be proud. You are the best.

—G. N.

Bunbury, West Australia

Beware of Open Manhole

Regarding the letter from I. C. ("Ass Backward," *Feedback*, July '97), I am also bisexual, and I love a big hard one deep inside my ass. Everyday, as I finish my shower, I take a ten-inch toy and spend 15 minutes enjoying the feel of it. I dry myself and slip a thicker one all the way in for a good half hour. I do this wonderful act every evening, but on the weekends, I wear a dildo for hours, held in place with a harness. I can even sleep with a big hard one in me. As I write this, I have a thick ten inches buried deep inside my hot ass, and the sensations are so

fantastic, it's beyond words!

—E. B.

Brooklyn Park, Minnesota

That's bisexual? According to Gloria Steinem, a bitch with a stick permanently up her ass, who talks shit we don't want to hear, is a feminist.

The Frigid North

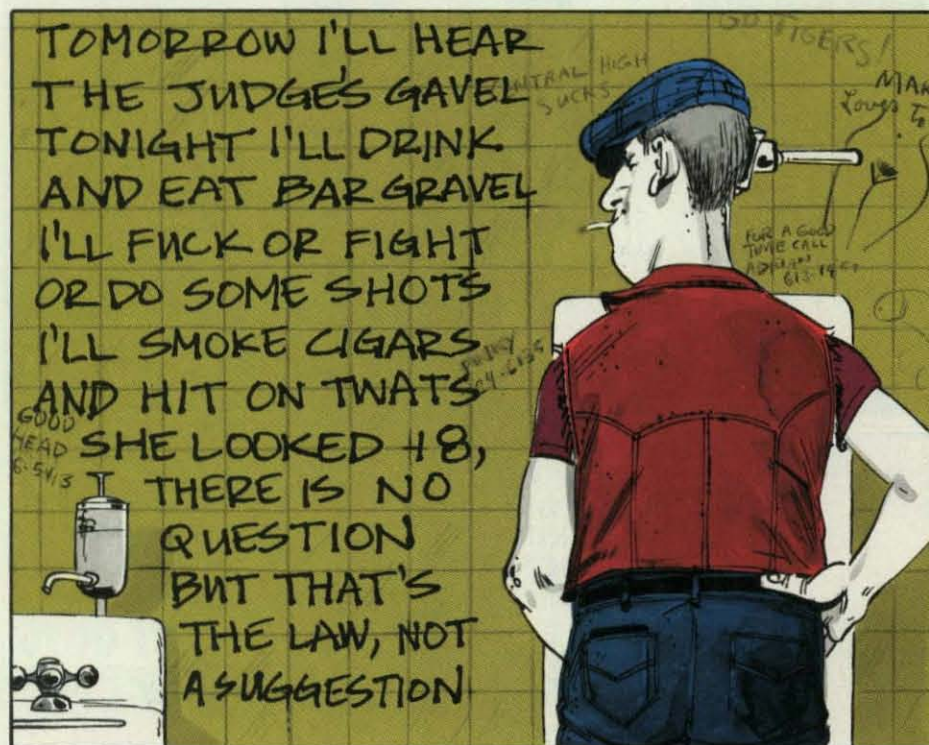

Ever since I saw *The People vs. Larry Flynt*, I've been buying HUSTLER in the Toronto, Canada, area. But one thing has been pissing me off: There are black censor dots on some of the pictorials! They are even in some of the letters and drawings! If this truly is some Canadian law, it's pretty ridiculous, since you can buy hard-core movies around every corner. How can I get a real edition here? —R. M.

Toronto, Canada

CLIT PARADE

What kind of music should a guy play when he wants to fuck his wife? That's a question I've asked myself quite a few times lately, because sex with the little lady hasn't exactly been great balls of fire. It's more like love don't live here anymore.

First I tried to get Roberta back in the saddle with some good ol' country tunes. I figured flipping on the local honky-tonk radio station would have me riding my big-boned betrothed like Roy Rogers on Trigger. No such luck. Roberta bitched and moaned that she doesn't like to do it cowgirl-style and wouldn't even blow me after she came.

Classical music was my next, and worst, idea. That shit was so boring, I actually fell asleep with a faceful of Roberta's twat. I spent the next morning pulling dark pubes out from between my teeth.

I was just getting used to the fact that my balls looked like twin blueberries when a happy accident found my receiver tuned to a popular black station. Screaming rap music has never been my cup of tea—I'm more of a classic-rock guy. This particular evening, however, the throbbing bass and booming baritone voices somehow caught my ear. I felt hooked below the belt; my pelvis swayed uncontrollably. Good Lord, some strange, voodoo rhythm had overcome my groin! A veritable Zulu uprising took place in my boxer briefs, and I knew I'd better chuck my spear in

Roberta's direction while the nine-inch iron was hot.

"I'm trying to sleep," my wife murmured as I tugged at her flimsy night-shirt. "And could you turn that music down?" I guided her limp hand in the general direction of my protruding gourd. Her eyes still shut, Roberta clumsily felt around my crotch like a blind woman identifying a man with a very long nose. Suddenly her fingers froze on my dick's head; she hesitated, as if shocked by the incredible lengths my ding-dong had gone to. "Ned," she gasped, "is that you?"

In a voice deeper than Barry White's stomach, I replied, "You bet your sweet, white ass, sugar." The bottom in question received a playful slap from the flat of my horny hand. "I'm gonna jump in that bed and tear your shit up." Roberta giggled when I climbed on top of her and kissed her back, but she wasn't laughing as I snaked tongue between her twat lips.

"This seems so dirty, Neddy,"

panted Roberta. "You've never licked my pussy while I was lying on my belly before." My sucking, stabbing action had her musky and bothered; Roberta clenched her ass and caught my nose.

I slid my tongue over her meaty taint and whispered, "I'm gonna do all sorts of things you've never experienced before." The wild music drove me to perform my first rimjob, slathering Roberta's cute, little browneye in steaming spit. Add a few flailing fingers inside her snatch, and the old ball-and-chain was quivering from head to toe. My taste buds penetrated her sphincters, setting off a screaming orgasm—although this time, Roberta wasn't going to doze off afterward. She was going to roll over and feel my johnson stretch her cooze.

"Oh, my God," she exclaimed with the first brush of my long fellow against her clitoris. I plunged inside the scalding sex cauldron, amazed that

Sissy didn't bother to answer; her mouth was in Theo's lap, unzipping his shorts with her teeth! I couldn't believe the nerdy freshman had just bagged the evening's first blowjob.

Roberta's opening seemed tighter than ever. Maybe it was just the music talking, but I swear she's never been such a hot fuck. Roberta demanded, "Suck my tits," and I happily complied. My teeth took quick bites of both chewy teat tops. She even seemed to taste spicier than usual!

In the background, some bad-ass motherfucker shouted for all the ladies to shake their rumps. Roberta responded by lifting her abdomen off the bed and rotating her beaver upon my pole. I thrust faster, ever conscious of the climax ready to spill from my loins. If only I could hold out for another minute, when Roberta seemed ready to burst. I love feeling her vaginal muscles spasm around my spurting dick.

"I'm coming, Neddy," howled Roberta, much to my relief. I let the floodgates in my balls open and unleashed liquid heat between her legs. The two of us shook together in a naked, scrambling clutch until finally I withdrew my flaccid pecker from her depths.

Roberta's been following me around the house like a lovesick puppy ever since. Tonight she even wants to try some Mandingo role-playing. Now that I've discovered the secret of a sexual soundtrack, I'll never go back. —N. F.

Florissant, Missouri

shared excited glances before shouting, "Road trip," in unison.

"Woah," protested brother Chuck, a solemn senior who always seems to have a bug up his ass. "I don't want to rain on everyone's gang-bang, but Richmond is five hours away. There's no way to arrive in time and give all the brothers a turn." A murmur of agreement drowned out the squishing of greased palms.

Brother Theo added, "Plus, we've got finals tomorrow. Is a piece of skanky scrunt really more important than the house grade point average?" We lined up to kick Theo in the stomach before piling into the Richmond-bound frat mobile (actually a dilapidated, old Chevy van). Much to his dismay, Theo's comment earned him the King of Rears title—the one guy in the van who must spend the entire ride with a bottle of Bud wedged between his butt cheeks.

After an hour and a half on the interstate, Lenny abruptly pulled over. "This is no time to stop for a meatball sandwich," I groused. For once, roly-poly Lenny was thinking with an organ other than his stomach. He pointed toward two comely, young hitchhikers running to climb aboard our pussy wagon. I realized the hoagie in Lenny's pants had

taken over the wheel. The tall, sandy-haired chippie with the tiny top threw a backpack into my lap. Her thumbing partner, a petite blonde packing major sweater meat, marveled at the sight of 15 studly frat brothers.

"Gawddamn," she drawled, her substantial teats popping twin nipple wood. "Y'all must be from that college across the river." Chuck stiffened in his seat as the peroxide bimbo oozed next to him. She traced a long fingernail over his ancient pledge pin, then lazily inched her hand toward his belt. "Hey, Sissy," twanged the horny hitcher, "I hear them college boys know how to lick a poontang till the cock crows."

Sissy didn't bother to answer; her mouth was already in Theo's lap, unzipping his shorts with her teeth! I couldn't believe the nerdy freshman had just bagged the evening's first blowjob. That stank 'ho was snoodling the head of Theo's big boy like a weaning bitch. Theo ground groin into his suckmate's pretty face, obviously attempting to shift her attention away from the long-neck surprise in his backside. Soon enough, however, Sissy discovered the perishable stowaway. She howled with laughter, uncorked Theo's bung and yelled, "These boys're into some kinky shit,

ON THE LOAD

I don't want HUSTLER readers to think the guys in my frat are homos, but sometimes we have these jerk-off contests. We sit around in a circle, watch porn tapes and grab our cocks. The first guy to blow his load gets kicked in the stomach by everyone in the house. This way, me and my brothers learn to hold out as long as possible during sex; the ladies on campus can testify to the orgasmic results of our aversion training.

During one such spank session, brother Lenny burst in with some news that had him so excited, he could barely talk. "Th-th-there's a girl in Ruh-ruh-ruh...." The portly scrub stopped stammering long enough to catch his breath. "A girl in Richmond who says she'll fuh-fuh-fuh...."

With the same hand that had been slapping my meat, I slapped Lenny across his fat face. "Calm down, you stuttering freak," I barked. The blow stunned him back to coherency.

"Some whore in Richmond says she'll bang every guy who walks through the door of her house until midnight," Lenny reported quite smoothly. All the brothers

She slammed her rump against my abdomen harder than ever, forcing the old love hammer deeper into her canal. All around us, my brothers sat stroking a one-fisted ovation.

Tonya!" I felt rather embarrassed watching the two roadside harlots share a chuckle (and a beer) at the expense of our beloved fraternity, but they only seemed to get hornier. Tonya took a slug of brew, doffed her top and shook her floppers in Chuck's face.

Usually, Chuck's a calm, levelheaded guy, which is why we entrust him with the treasury duties. One sight of those exaggerated mams, and the bush-league bookkeeper lost all sense of propriety. He assaulted the jiggling jugs with both hands, appearing even more consumed by carnality than the time he and brother Gordon double-penetrated the girls' soccer coach. Tonya enjoyed the rough treatment enough to tear off her jeans and paint Chuck's leg with the juices of her bare, shaven snatch.

Watching this display of wanton fuck lust had grown a mighty man oak in the forest of my shorts. I wasn't alone; large lumps marked the crotch of many a brother. Even chubby Lenny pitched a visible tent, his eyes darting between the road ahead and the sizzling action in the rearview mirror. I came up with a brilliant idea—one that involved slipping my pipe to Tonya doggy-style and would become legendary among the hallowed halls of our humble campus.

"Okay, all you freshmen," I announced, leaving my shotgun seat to grab a handful of Tonya's keister. "You know the drill: Whip out those pricks and commence masturbation while brother Theo, brother Chuck and I stick it to these skeezers. The first frosh to pop his nut gets seven feet in the gut." Tonya bent down and swallowed Chuck's wang, allowing me a clear shot at her sloppy pussy. I thrust in my member to the hilt, growling, "That goes for you too, Lenny. Don't act like you've never beaten off while driving the van before." The fat slob gulped almost as loudly as Tonya before whipping out his personal gear stick.

In my six years of higher education, I've experienced vaginas of every imaginable variety—from tight, corn-fed, Bible Belt transplants to well-worn transients and rich-bitch snobs. Tonya's yoni ranked pretty high on the list. She knew how to move, amending her every slip and slide with throbbing contractions that sent shivers up my gland. The trashy tart backed up on my foot long with skill and dexterity, never once faltering in her oral administrations to Chuck's lap.

"Aww, yeahhh," bellowed Theo from

the backseat, enjoying his own mouth-to-dork resuscitation. His suck pig, Sissy, didn't display Tonya's fellatio flair, but she made up for technique with unbridled enthusiasm. Saliva drooled down Theo's member throughout the rapid-fire succession of sucks. For just a moment, Sissy's and Tonya's eyes met; I swear they shared a cock-stuffed smile.

Strangled, animal grunting escaped Tonya's esophagus, where the pride of Chuck lay ready to drop seed. The blond beauty must have been reeling from my digital manipulation of her bouncy boobies. She slammed her rump against my abdomen harder than ever, forcing the old love hammer deeper into her canal. All around us, my brothers sat stroking a one-fisted ovation. The joyous, fraternal spirit in the van swelled my heart, among other things.

Predictably enough, Theo was the first to blow spunk—except this time somebody else's hand helped coax the load. Sissy aimed his nozzle straight toward her chin; her hand vigorously worked the shaft, and her tongue occasionally flicked Theo's underbelly. The sperm came in a white flood, cascading over Sissy's fingers and leaping up to splash her face. Looking back, it seems

that one, simple ejaculation set off a choad reaction. Everyone in the van was spraying scuzz. I was reminded of the kindergarten incident when Lenny ate Play Doh and vomited, causing every other kid in class to puke. Now cocks were firing off all around me, threatening to trigger my blast straight into Tonya's torrid cunt.

"Unnngh," I screamed, driving home the gallon of brine that gushed out my pisshole. Tonya came with me, momentarily spitting out Chuck's tool to clench her teeth in ecstasy. Finally Chuck exploded, smearing his love leavings onto Tonya's pale cheeks.

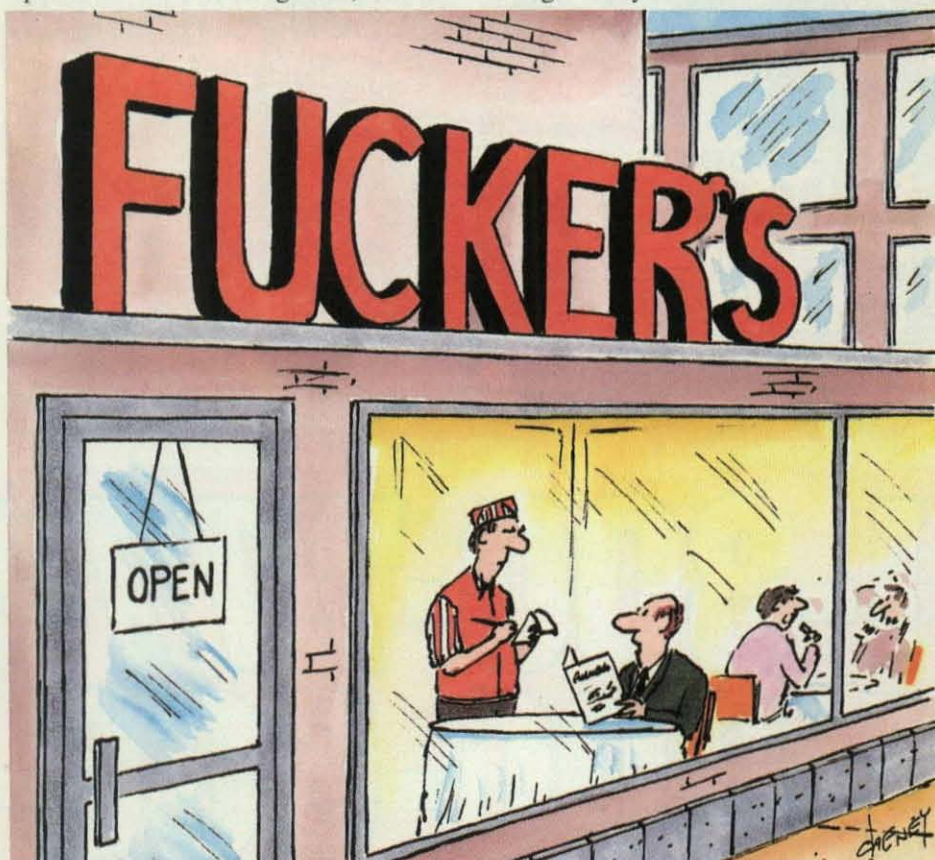

After we kicked Sissy and Tonya out of the van, there was a major argument about who should get kicked in the stomach. We finally took a vote and settled on Theo. As for that Richmond gang-bang, everyone kind of lost interest—which is good, because later I heard all the guys ended up with a bad case of AIDS. And I wouldn't want people thinking our frat house was a bunch of homos.

Little Bill pulled out of my snatch, stuck his sausage up my dilated asshole for one quick dip and then crammed his tubing into my mouth.

with every woman in the world: Short men make the best lovers. It sounds crazy, but take it from a six-foot brunette with a great set of hooters and an ass that just won't quit. A few months ago, I never bothered to make eye contact with any guy who couldn't reach my navel. Little Bill changed all that.

Little Bill approached me in a comedy club owned by my best girlfriend. At first, I found the sight of this pint-size Romeo funnier than any of the lame comedians onstage. Pretty soon, the 4-11 smooth talker had pumped me so full of free booze, I found everything amusing. And I found Little Bill to be downright handsome—when he wasn't standing behind a particularly tall chair.

In my alcoholic fog, I thought I felt an insect land on my leg. I glanced down to realize Little Bill's fingers were sliding up my leg. What a ballsy squirt! Little Bill made his way up to my red, silk undergarments before I insisted we continue the evening at his place.

Even though I was way past drunk, I can still remember the genuine hilarity of laying eyes on Little Bill's scaled-down apartment. Everything was miniaturized, from the toilet to the television. His junior sofa gave new meaning to the term *love seat*; as soon as the two of us sat down, he was practically in my lap! The leather miniskirt I was falling out of gave me a wicked idea.

I stood over Little Bill's diminutive form and purred, "I'm going to take off these constrictive panties. Now I want you to stand beneath me and eat my snatch." His eyes popped out as I doffed my underwear, revealing my perfectly trimmed bush. Little Bill leaned forward, wrapped his stubby fingers around my plump butt and buried his face in my muff. I was not amused.

"Damn it," I yelled, scaring the hell out of the poor, little creature. "I told you to stand up! Stand up straight between my legs, raise your head and lick this cunt, or I'll kick you across the room!" Little Bill got a wicked grin; he obviously enjoyed the rough treatment. Once he followed my orders correctly, I enjoyed the bizarre and twat-tickling sensation of standing over a passionately undulating tongue. If you think sitting on someone's face feels good, you have no idea.

"All right, you big-booty bitch," Little Bill squeaked after his face had been properly drenched. "I got you good and wet. Bend over the couch, and I'll show you good things come in small pack-

ages." I was shocked and delighted to learn Bill was not so little in the pants. He was downright gargantuan!

"Forget about the small package," I groaned as Little Bill forced his flesh inside my vage. "I want you to come in my mouth!" I've always enjoyed talking dirty, but talking dirty to a person half my size seemed even nastier. Naturally, I turned on the foul-mouthed charm, spewing every vaginal synonym in order to direct the thrust of his ramrod.

Little Bill climbed right up on my rump. For a second, I thought he had actually climbed inside my coochie, but it turned out to be nothing but the immense girth of his pecker. True, Little Bill's lack of body weight made it difficult for him to accentuate each parry with that extra *oomph* that makes girls cream. He overcompensated with a frantic frigging of my clitty and what may have been his entire hand in my rectum. I was afraid to turn around and look.

"I'm gettin' my groove on," Little Bill muttered in his sexiest tones. "Can you feel it, baby?" In all honesty, Bill was awakening acres of lointage long untouched by men three feet his senior. I almost didn't want to let him know how good he was giving it to me, but my moaning gave away the fire in my thighs.

I cried, "Yes, you smug, little bastard! Fuck me! Touch me! Spray your salty jizz down my throat!" So much for acting nonchalant. Little Bill pulled out of my snatch, stuck his sausage up my dilated asshole for one quick dip and then crammed his tubing into my mouth. I nearly gagged as the pasty, white stuff gushed past my lips. Even as I swallowed his sauce, Little Bill was straining to rub my nookie nubbin; I came in buckets against his hand. To this day, I can feel the vibrations of that shattering orgasm.

Afterward, I asked Little Bill how he got so good between the sheets. He explained that short guys have an ingrained desire to prove themselves in every arena. Since they don't stand much of a chance on the basketball court, they make up for it in the bedroom. I rolled over on top of Little Bill, fell asleep and didn't hear a peep out of him all night. What more could a girl ask for? Ladies, throw out those vibrators and stick a little person in your dresser drawer!

Rectal Alignment Technique

Anal Sex the Way She Likes It

BY B. GORDON WHEELER • ILLUSTRATION BY JAIMIE HERNANDEZ

Vic Fontaine sucks in his sizable gut and peeks down at the wide-load behind he has just painfully bucked his beer-can schlong against.

"Ummph, Myrna. Sorry, baby," he huffs, getting a hand back on his flapping dong. "Quick dismount there, sugar. I apologize."

Myrna, bent double over a bar stool, skirt up, panties down, turns her head and leers back at Vic. "Shut the fuck up, Brunswick, and shove that fat wiener back in my pussy, Goddammit. I'm almost finished here."

Myrna, the waitress at the Party Time Lanes Bowler's Bar, calls Vic "Brunswick" because he has an almost perfectly round head—the shape of a bowling ball. She likes his cock for its similarly spherical knob, which plugs her insides like a fleshy Ben-wa ball.

Looking down at Myrna's spread, Vic takes in the pastrami flaps of her cavernous vagina with mild disgust. Above her puss, he lustily spies the tightly cinched star nestled between her sagging ass moons. Badly needing to feel tight walls clench his throbbler, Vic points his racquetball-size dick head up high, trying for a rear-door reentry.

"Mother of Christ!" Myrna wails. "Brunswick, you're gonna gut me like a fish!" Myrna spins off the stool in self-defense and thumbs her panties back up around her waist.

Through gritted teeth, the aging slut mutters at Vic: "When are ya gonna understand, bubblehead? My tailpipe may be good for you, but it's murder on me."

Vic, 53, is the night janitor at a state college in Tacoma, Washington. One evening, as he makes his rounds through the lecture halls, the nocturnal custodian interrupts a special meeting in session.

"Can I help you?" asks a tall, leggy blonde standing at a podium.

A sticker on her chest reads PROFESSOR DARIA BERNSTEN, HUMAN SEXUALITY. She is lecturing in front of a group of about 15 people. A panel of three couples sits directly behind her.

"Fontaine from Custodial," Vic answers flatly. "Duties List says you got some spilled diet soda in here from the afternoon class."

The attractive academic, her long hair bound in a tight bun behind her head, flusters a little, then nods at Vic to come in.

"Um, as I was saying," she announces, addressing her small audience, "due to the Rectal Alignment Technique, or RAT, these couples before you have awakened to the erotic mysteries and carnal delights of anal sex."

Vic's ears perk up. One woman on the panel, a mousey brunette whose name tag reads CONNIE, is describing her experience acting as one of the lady prof's butt-love guinea pigs.

"I used to be petrified of anal sex," admits Connie shyly. "But since we tried RAT, I prefer it when Michael visits my 'back door.' Mainly because the technique produces the most powerful orgasms I've ever had."

Vic, pretending to clean gum from under a desktop, peers back at Professor Bernstein. Her sleek gams, stemming out of an improbably short mini-skirt, look long enough to wrap around him twice. Bernstein has used Connie's titillating personal example to cue her lecture.

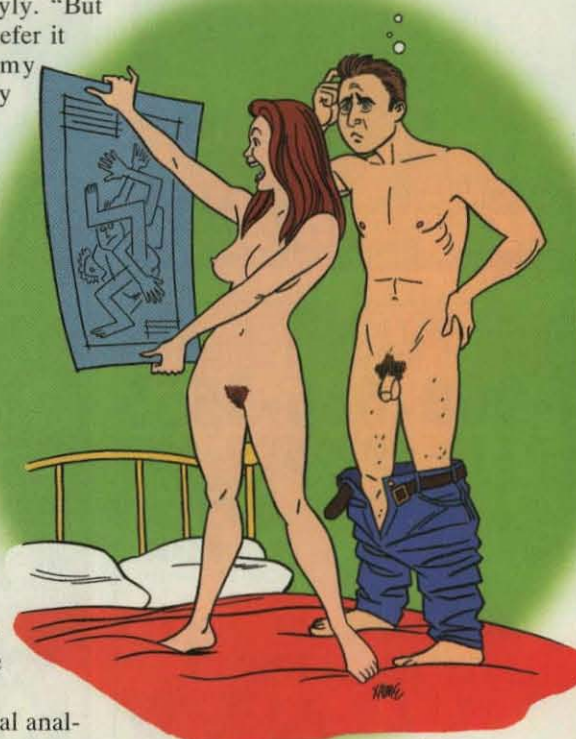

"RAT is a heterosexual anal-sex practice that calls for the same

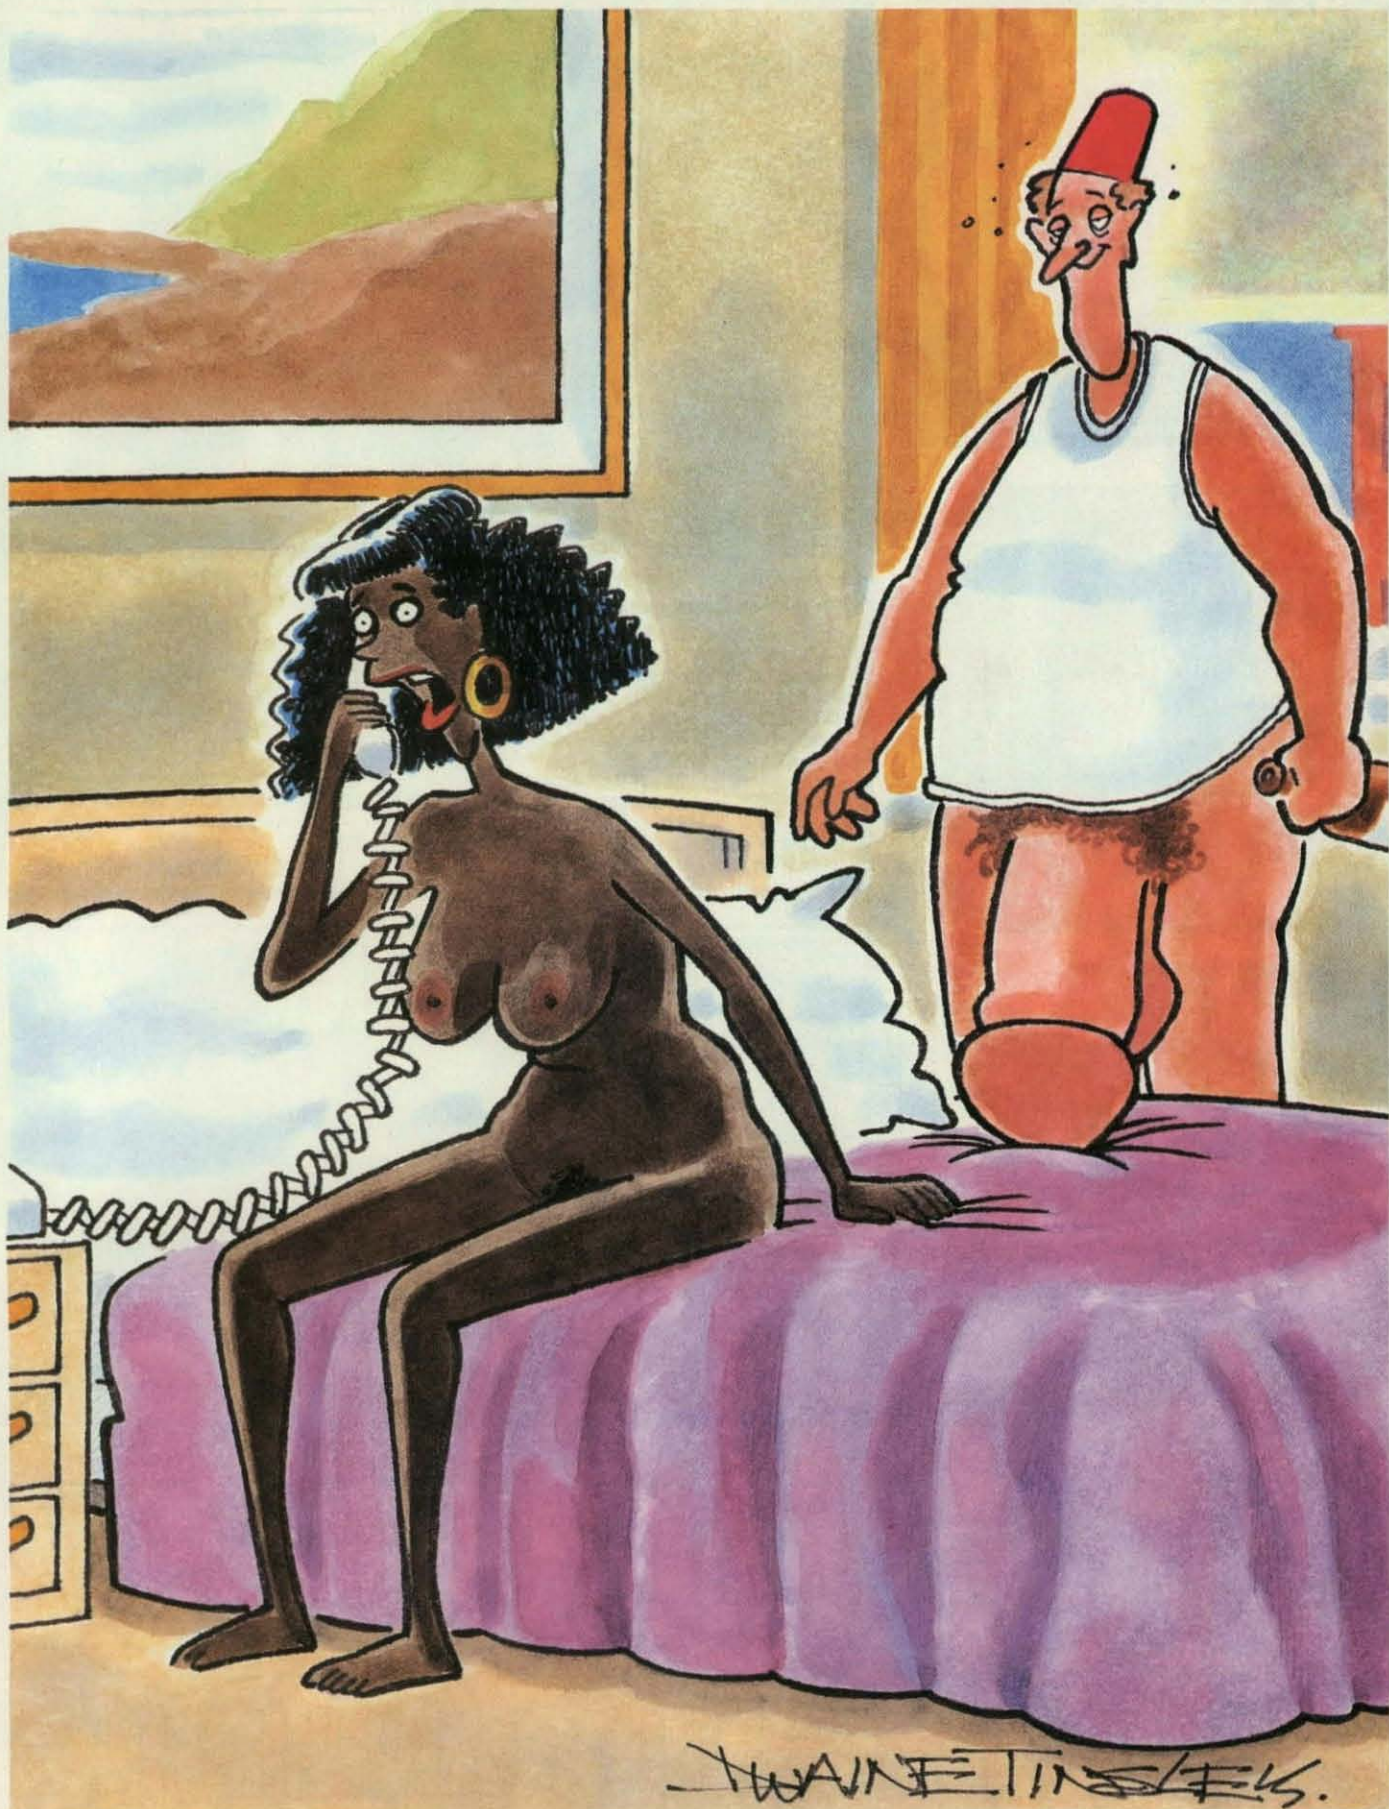

face-to-face alignment as the traditional missionary position," she says, "and is designed to maximize friction between the shaft of the man's penis and the woman's clitoris."

Vic adjusts himself in his baggy-crotch, polyester jumpsuit as Bernstein explains that, in RAT, "the male's pelvis must be aligned with the female's, with his pubic hair directly above her mons veneris. The head of his penis must point downward, with its shaft resting against the outer lips of the vagina, aiming for the rectum."

Abandoning all pretense of floor mopping, Vic takes a far seat and sets his sights on Professor Rump Fuck. He likes what he sees: an ample bosom swelling beneath her fitted suit jacket; an upturned pixie nose holding up wire-frame glasses; and what looks to be a solid shelf of ass bunching up the back of her blouse and coat.

Professor Bernstein can't help but

"Hello—police? I'd like to report a suicide...."

"When Renee comes from the clitoral contact, her rectum constricts and chokes the life out of my cock head. My dick explodes in cum to protect itself. I've never experienced anything like it."

notice Vic's disgusting leer. She blushes before she continues. "The female reaches her hand under her well-lubed buttocks, grasps the male's penis and guides its tip into her anus. As she does so, the male lowers his upper torso onto the female's breasts and slides his pelvis upward into what is known as the 'riding high' position.

"According to virtually all RAT experimenters," Bernsten notes, "the higher the male rides, the greater—and more satisfying—the friction between clitoris and cock."

Pointing to a large diagram viewed on an overhead projector, Bernsten notes that, throughout the rectal recreation, the female's hand clutches the male's penis, with her buttocks raised high to allow anal penetration.

"The female's constant grip on the penis serves a twofold purpose," the professor relates. "First, it allows the female to regulate the depth of anal penetration, as well as enabling her to prevent the penis from inadvertently slipping out of her rectum. Second, grabbing the male organ gives the woman a chance to increase the man's sexual pleasure by masturbating him while the woman's anus simultaneously suctions the sensitive head of the man's erection."

"It's like oral sex," interjects Connie, the sodomized panelist, "when the woman beats off her man while she sucks on the head of his erection. In RAT, of course, the woman uses her ass in lieu of her mouth."

A tremendous, phlegmy snort erupts from the back of the hall, causing the professor, panelists and students to turn and look. It's Vic, with his hand raised.

"Excuse me for interrupting, but I thought this procedure was supposed to be an ass-fuck technique," he says. "Connie here is talking about a handjob that feels like a blowjob. I don't want some chick's asshole to nibble on the tip of my johnson. I want to pop my pole deep into that tight little gopher hole! That's what butt-fucking is all about."

Ignoring Vic's objection, Connie's husband, Michael, urgently picks up his wife's description of the procedure. "We tried RAT several times before we got the positioning right," he says. "The problem was that I couldn't ride high enough because I was trying to get too much of my dick up Connie's ass."

Professor Bernsten confirms that

Michael's problem is common among RAT experimenters. "All our male panelists had difficulty understanding that depth of anal penetration is not nearly as important as perfecting and maintaining RAT's riding-high element," she says. "Unlike the rapid, pistonlike humping of vaginal intercourse, RAT entails very little actual thrusting."

Vic unloads another disdainful honk, making everyone uncomfortable. "Very little actual thrusting! You call that an ass-fuck? Sounds to me like the guy's dick digs about as deep as my finger when I'm mining nose gold. Why not just get a handjob with your dick head sunk in the cat box?"

A male panelist, whose sticker says WESLEY, erupts at Vic's insolence. "Look, you filthy animal, before you disrupt this class again, you should know that my wife's powerful response to RAT more than makes up for the lack of deep ass thrusting. When Renee comes from the clitoral contact, her rectum constricts and chokes the life out of my cock head. My dick explodes in cum to protect itself. I've never experienced anything like it."

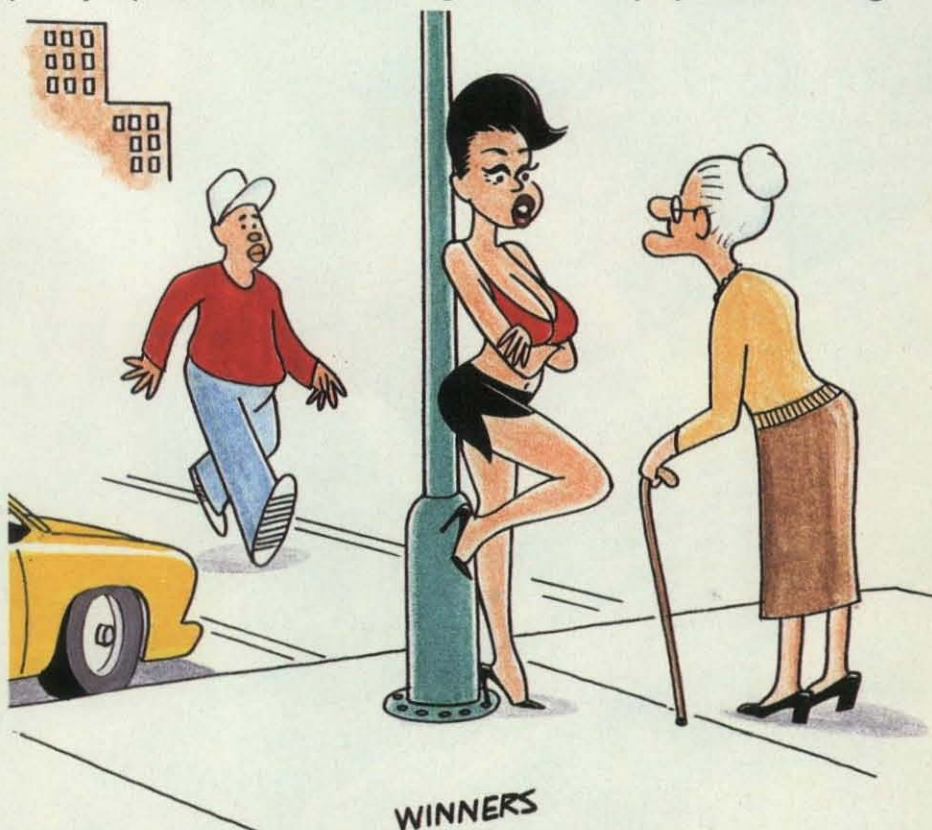

Vic eyes Wesley coldly. "Wes, are you a pussy? Or a liar? If I'm hearing

you correctly, you're either a dumb wuss who can't take a shit without his old lady's say-so—or a cunning son of a bitch who reckons that if he mashes his wife's mushy Susan hard enough during one of these glorified handjobs, she'll finally take his whole boner up that goddamn ass."

After this outburst, Professor Bernsten does nothing but stare at Vic with a look of mute wonder as Wesley scrambles over several wobbly desks to try to kill the beach-ball-headed janitor. Connie runs to call campus security, which luckily arrives just as Wesley gets his hands around Vic's fat-marbled throat.

The pay is shit, but Vic Fontaine feels more comfortable at his new job cleaning up the Party Time Lanes after hours. He bowls free frames and, when Professor Bernsten comes by, Vic bends her over the tabletop Ms. Pac Man for the deepest, tightest and sweetest bung drubbings of his life.

"I'm glad you came around, Daria," Vic says, aiming his swollen little Brunswick at the slutty professor's rosy sphincters. "When I'm craving anal action, a handjob just don't cut it."

"I may be a cheap slut to you, lady, but to my tricks, I'm a nice piece of ass at a reasonable price."

The end of a long haul. The promise of a new piece of ass. The pretty girl behind the bar has a nice smile and a room above the beauty parlor next door. A sweet, wet fuck that opens up some old, familiar scrapes.

Tracy has trouble getting off. She tells me this soon as we start

fooling around back at her place. I don't know whether to thank her or ask for a list of instructions.

There's not a whole lot you need to know to get the picture. I drive a truck, and I've got grandkids, and I live alone. I'm past 50, and it ain't always hard when I wake up in the morning. I've come to see that as a blessing: there's less piss on the bathroom floor when I get around to cleaning. Before I met Tracy, I hadn't been with a woman in so long, I figured I'd never get laid again. It's a fact I've never been all that good with women, not even when I was married. I like them too much, that's the problem. Seems to me women like being dumped on regular. They don't want a friend or a brother, not for sex they don't.

I don't get out all that much. I suppose that's a sure sign of old age. What I do most is watch movies on my VCR. I notice there ain't too many R-rated movies where old guys get the good stuff. Or old girls. You don't see sagging titties and fallen asses when they change the music on the soundtrack.

I don't think about it when I'm sober, the sex stuff. It's easier to live with that way. You can get used to just about anything if you don't go around moaning about what you don't have. It's dreams that give me away, tell me how much I'm bullshitting myself. I

suppose they don't ever stop: Ain't no sagging titties and fallen asses in them either.

Tracy lives over a beauty parlor in Paducah, Kentucky. You can't get any more north than Paducah and still be in the South. The Ohio River is right there at the foot of Broadway. There ain't that much to Paducah, but it does have booze—most of the other counties in western Kentucky are dry. Tracy was 25 when I met her and not much more than that when I stopped seeing her. When we first started up, I guess I was about as big a fool as a man can be. Didn't seem like there was anything to lose. She was on my route, and I made deliveries there two, three times a month. Drove the interstate up from Tennessee.

When you've been out of circulation as long as I've been, you have trouble getting back into the conversation that goes on between men and women. I swear I sometimes think the dialogue changes from year to year, keeps changing till you don't know how to butt in with a single word of your own. It was Ruby Tuesday's where I met Tracy, out at Kentucky Oaks Mall. I'd made a delivery and was waiting on some paperwork. It ain't my kind of

place, Ruby Tuesday's: There's a bunch of people in there look like they don't sweat or work for a living. I was waiting at the bar a long time and began to think I was invisible. Problem with driving so much is it gets to be like you're on a different speed from them that ain't driving. You're still going 70 miles an hour, even when you're on a bar stool. I was tempted to say something to speed things up, but being rude won't get you anywhere in the South. My daddy used to say you could get away with murder down here, long as you were polite about it. The first thing Tracy says is, Hey, you're probably wondering whose ass you've got to kiss to get a drink in here.

I thought it was one of them voices in your head you get used to hearing when you drive long hours. But it was too real for that; it was all honeysuckle and barbed wire, the kind of voice all them girl singers got.

* * *

Tracy has trouble getting off. She tells me this soon as we start fooling around back at her place. I don't know whether to thank her or ask for a list of instructions. What she says is, Don't take this personal, now, 'cause it ain't nothing to do with you. It's just my body, that's all. Sometimes it lags behind what my mind's wanting it to do. I mean, I hope you're not one of those guys thinks a girl has to come every time.

She seems to expect some kind of answer; so I tell her about a Japanese bicycle I bought for my grandson and how I had to put the thing together myself. I'm pretending I know more about women than I do. Tracy, I say, it's been my experience that this sex business is kind of like when I put that bike together. There was five pages of instructions that came in the box with all the parts of that bike. The problem was, those instructions were written in Japanese, and I couldn't read a word. So I spread the whole mess out in front of me, and I eyeballed it, is what I did. And went from there. I ain't had no complaints from my grandson.

Tracy says, Does that mean you want me to turn the lights up so you can see me better? And I say, I'm not sure I want you to see me. You might take one look and change your mind, hightail it back to Ruby Tuesday's.

Turns out we did pretty good that first time. If Tracy had a problem, she either kept it to herself or was the

We ain't finished five minutes, and she starts talking about the not getting off again. She tells me how unusual it is for her to do the dance on the first date. She blames it on her mama, her Southern upbringing, suspects she had one of them whatchamacallems right after birth. A clitoridectomy. Says lots of women her age have had them, more than anyone knows. They don't keep records for these things.

Yeah, I say, sounds like something the Klan might do. Masked riders in the night show up at your old Kentucky home with a pocket knife and a bottle of Jack Daniel's. Your mama lets them in, and they put a picture of old Jefferson Davis up there next to Jesus. Then they fire up a Coleman lantern

and start looking for your little marble in the mud. How the hell do they even find it on a baby? What do they do with the little boogers afterward? Use 'em for beadwork on their grandmama's quilts?

Tracy is only half serious, and I'm half joking. Lots of problems in life come from people being half this, half that. Most of what she is, according to Tracy, has to do with how she was raised up. The man is number one, and a woman ain't supposed to talk back. Her purpose in life is to get them dicks hard, raise them children, go to church and fry up that cholesterol.

After that first night I do have some trouble finding her clit. Sometimes it's right there, and soon as I find it, we know she's gonna make it. Usually it hides on us, shifts around. I mean, the little fucker must have legs or fins or something, all the territory it covers. Maybe the man in a boat has oars and rows up into the swamp of her sweet self. Tracy says she never has masturbated, that she'd rather have someone else do it. Makes sense, I guess, but if she diddle herself once in a while, she might could get a read on the peripatetic nature of her damn clitoris. Study its

habits. I mean, maybe it has routes, like a deer or a coyote or a truck driver. Maybe there's a certain time of day it's right up there sunning itself on top of Tracy's good stuff, looking like it might take a stroll up toward her belly button.

I never know what to do to get the woman off. What works one time might not work the next. Sometimes we'll hit a streak, be on a roll, and we'll get to thinking our problems are over. Then it takes off again, disappears on us.

When Tracy starts talking about the contract, I figure she's wanting to get married. She's got me driving up to Paducah whenever I'm not driving my damn routes; and that's something I never do, drive on my days off. But it ain't marriage that's on her mind, not according to her. We're sitting on the rocks down by the Ohio, watching the barges, getting hypnotized by their lights. Maybe it's the Jack Daniel's doing the hypnotizing.

Tracy says, These things work better if you've got it down in writing. Hey, I'm just talking about an agreement between you and me. It's so we don't disappoint each other.

Seems like disappointment's part of the deal to me. I don't see how you can avoid disappointment when it gets to men and women. It's about worship. Don't matter what it says on paper.

Tracy says, You talking about church or sex?

One does the loving, the other agrees to be loved. That's the contract, and it don't ever change. There's a little bit of honeysuckle and a little bit of barbed wire in every contract, every marriage.

Tracy says, Which one do I get to be?

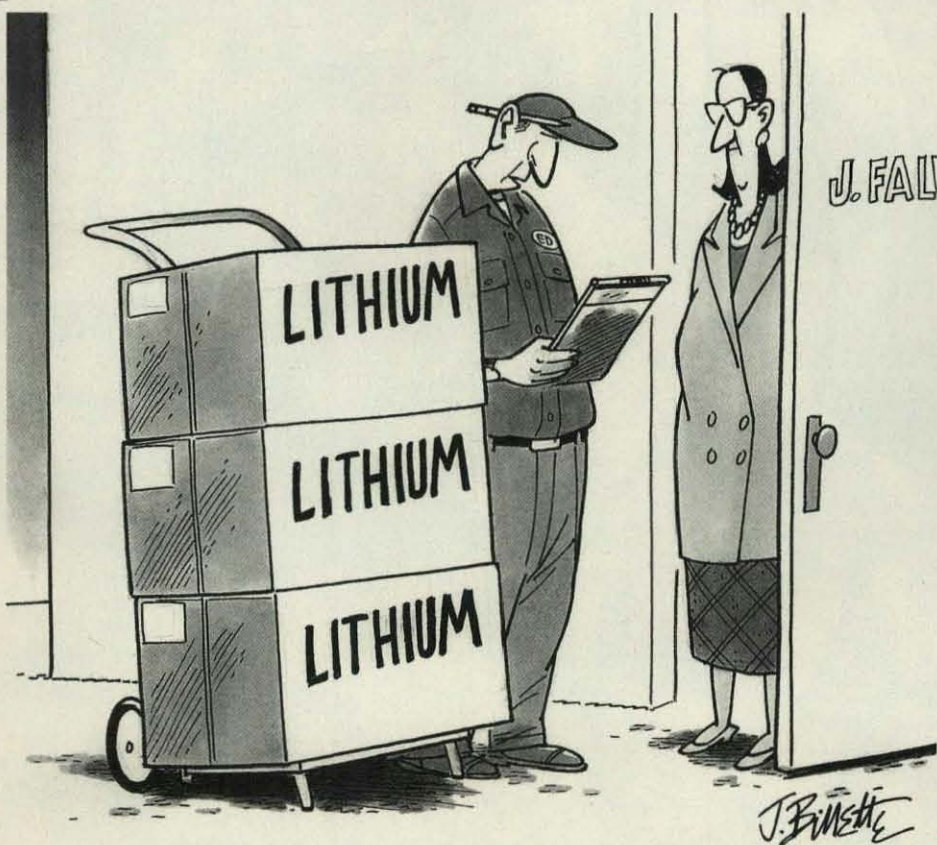

Honeysuckle and barbed wire, just like that sexy voice you got.

That ain't nothing but a whiskey voice.

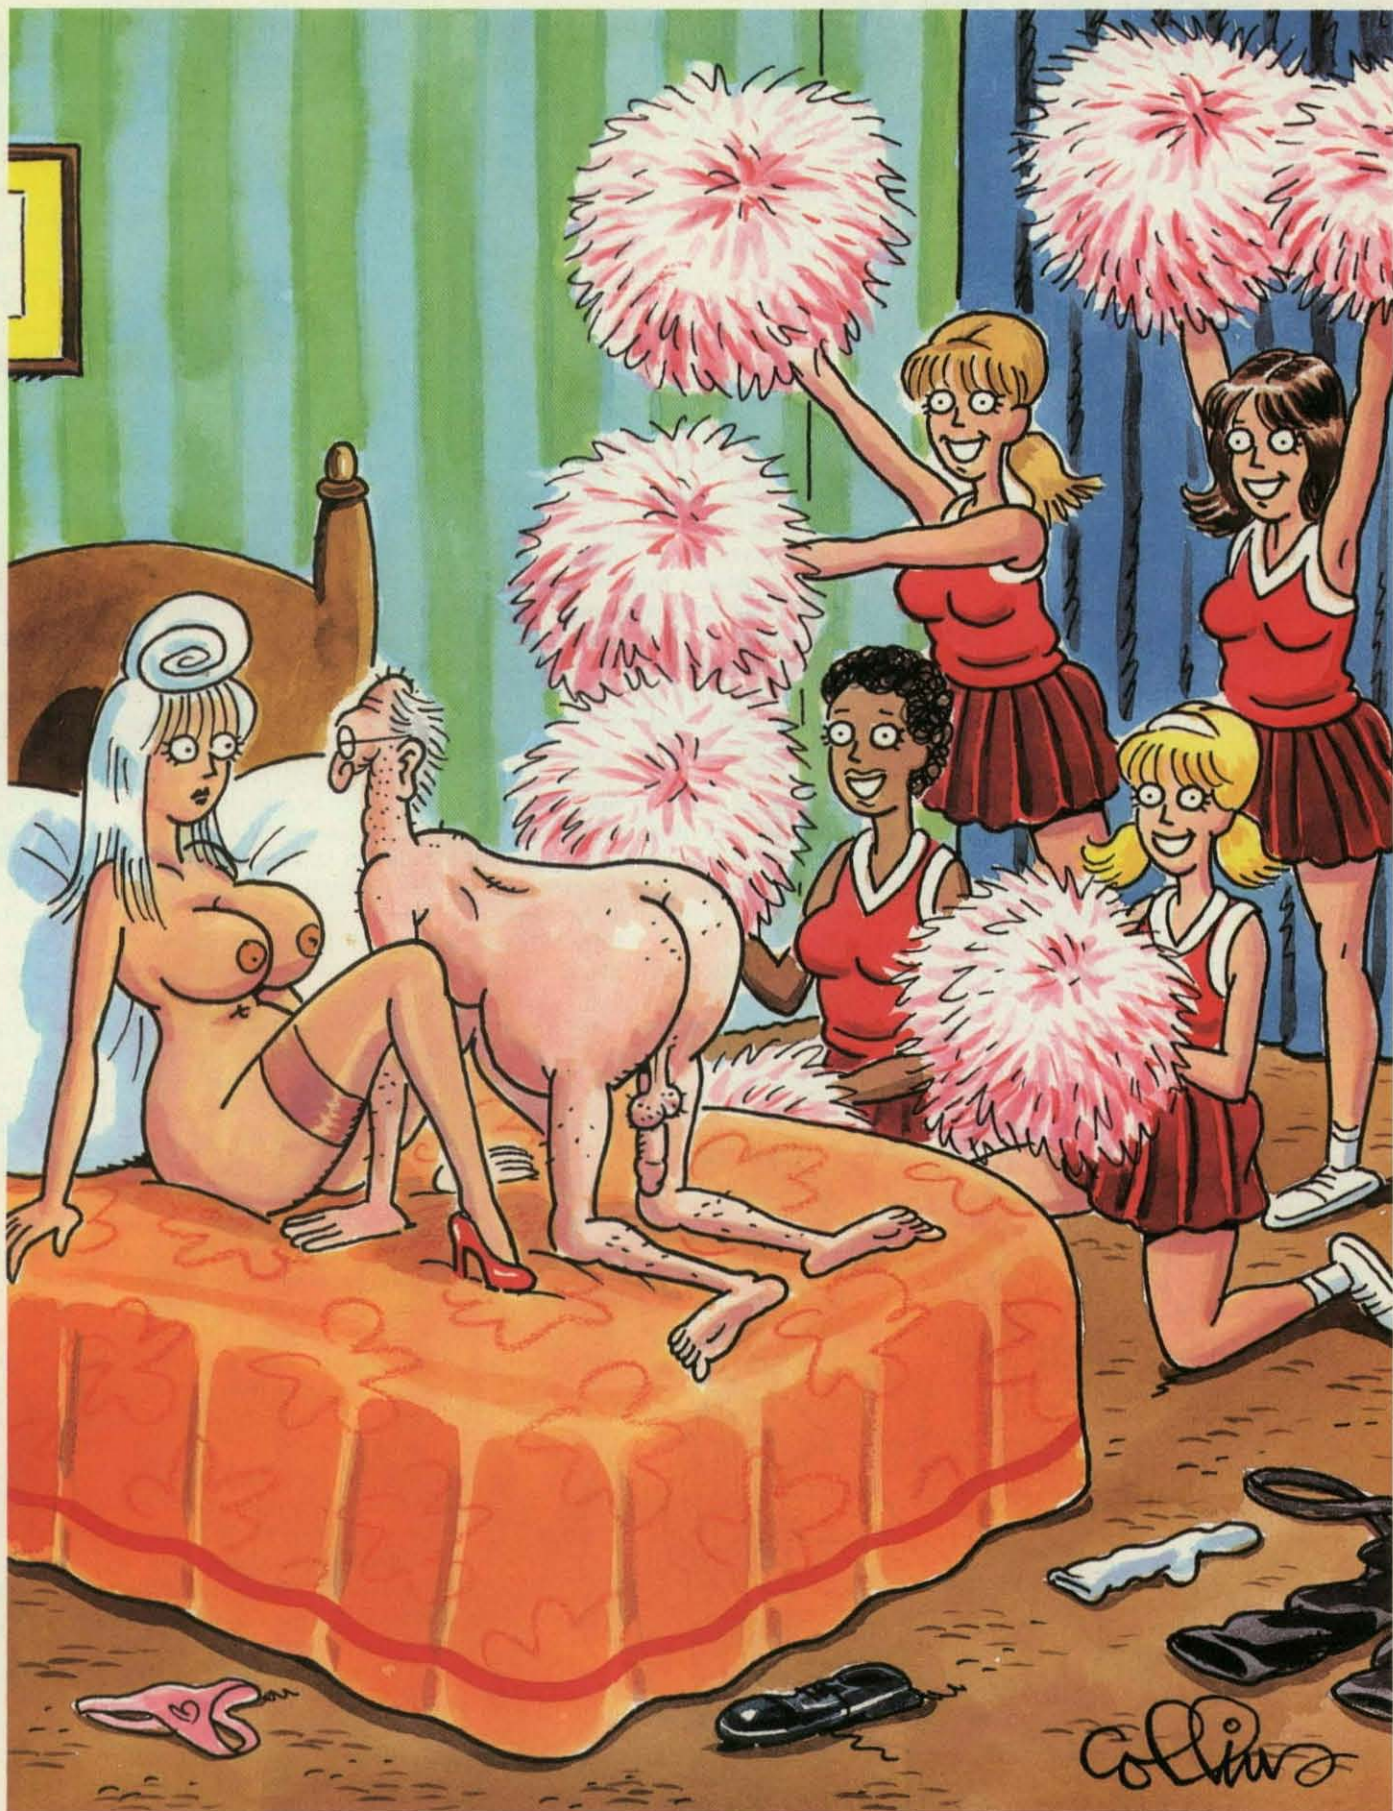

Whiskey's about the biggest honeysuckle and barbed-wire contract there is.

Tracy says, But if we get it down in writing, we won't go around making each other feel like shit. I ask her if we have to get it notarized by a judge or something, and she looks at me like I'm not taking this thing as serious as I should. Then we drop it.

I begin to think Tracy has a thing about blood. She likes doing it when she's got her period. I'd just as soon watch TV, but she can be real convincing, especially when she's got what she calls the dog-trot hots. Whenever we get into it, I come up looking like I been in a war. I can't taste or smell the

"Got a delivery for a Mr. Jerry Falwell from a Mr. Larry Flynt."

"I hope you don't mind—at my age I need cheerleaders."

Honeysuckle

I'm studying her ass while she's talking, just flat worshipping it.

She says, You got it memorized yet? I say, Down to the fine hairs in the crack and my bloody fingerprints.

blood when I'm going down on her, but afterward I can't get rid of it. That first time I ask her if it was okay, and she laughs and says, You have my seal of approval all over your face. She thinks it's hilarious watching me shampoo my mustache and gargle Listerine.

This one time we're on the living-room floor, and she comes almost right away. Then she rolls over and starts talking about how the girls downstairs in the beauty parlor used to tease her about all the floor thumping. They offered to buy her a new bed, but only if she promised to use it. I'm studying her ass while she's talking, just flat worshipping it. She says, You got it memorized yet? I say, Down to the fine hairs in the crack and my bloody fingerprints.

She's upset about all the blood, and I tell her to relax. The towel under her is soaked, and I get up for more, stop in the kitchen and bring back a pot of soapy water. When I start soaping up her ass, she almost purrs, says it's a first. No one's ever done that before. I start joking about other firsts, and we trade stories. You get to a certain age, it's hard to be the first to do anything, but we like hearing it and get real imaginative.

I soap the crack up good, then leave her there all lathered up, tell her I'll be

right back. I get more hot water, more towels. After I get the soap off her ass, I start tonguing the dark hairs in her crack. Their texture is so silky fine, unlike any other hair on her body. I come up for air, remove a hair from my tongue and show it to her. What am I supposed to do with that? she says. And then, Looks like an eyelash some, don't it?

It's that sexy voice she's got, that honeysuckle and barbed wire.

I don't know if it's the soap or hot water or what. Maybe it's like being snow blind or something, a whiteout kind of thing. I'm in Tracy's ass so long, I'm convinced she has an albino hemorrhoid. Just one little booger hanging there like a seedless grape, all wrinkled and white. It distracts me some, and I pull back a little, study it, touch it lightly with the tip of my tongue. Tracy starts going wild, and I flick it some more. She's going, Yeah, yeah, do that again, baby.

I'm humming the floor and turned on as shit, but I'm about to crack up laughing too. I'm thinking maybe she got another little brain here up her ass, a microchip kind of brain that, tiny as it is, will outsmart me every time. Me and about every other guy it has a mind to

outsmart. That hemorrhoid looks like a little bitty brain been out in the sun too fucking long. It has all those waves and lines, all that coral kind of stuff you see in pictures of brains in biology books.

Then I'm thinking maybe it's the wandering clitoris done got turned around and can't figure a way back. Especially the way she's responding to my licking it. Don't look too much like a clit, but what the fuck do I know?

I tell Tracy to raise up her ass so I can get at her better. I spread the cheeks wide and look in there like I'm a lost little lamb looking for its mama, or at least the meaning of existence. That albino hemorrhoid hasn't moved, and it don't seem to be attached by much, just a tiny piece of skin. I'm thinking, I could bite it off and present it to her when I kiss her next. She'd probably then add me to the list of people that have butchered and scarred her for life.

I go back to tonguing and flicking the booger, and Tracy is making so much noise, the beauty parlor girls are banging at the ceiling, and they've turned their radio up real loud. We come at the same time, only hers goes on and on, and mine goes on the rug. If I'd have come through the floorboards with it, those girls down there would have had something to talk about for a week.

We're quiet a long time, don't say a word. It's like when the body pulls a number on us, shows us who's boss, the only response is a kind of wowed, almost embarrassed silence. We don't own our fucking bodies, that's for sure. They own us, for a while.

I'm the first to talk, and I'm feeling kind of cocky. It's that border-crossing feeling makes a fool out of a man every time. I'm thinking, Tracy's ass is mine forever, now that I know the secret to making her come good. I'm about to get silly, and I'm trying to think of funny things to say about that little albino hemorrhoid.

What I say is, How's it feel to have your ass licked for the first time? This is as sure of myself as I've been with Tracy. I say the words and see her glowing face downwind from my tongue, but what I'm seeing in my mind is that albino hemorrhoid.

She says, I've had my ass licked before. Don't go around feeling like the Lone Ranger.

You told me this was the first time.

First time I've had my butt soaped up, darlin'. It's been licked a time or two, no big deal. Was it good for you too? How'd you like the floor? ☹

HUMOR

Question: What do you have when 39 Mexican cult members commit suicide?

Answer: One less station wagon on the San Diego Freeway during rush hour.

A farmer had been unsuccessfully trying to breed his pigs for several months when he finally asked a vet for advice.

The vet told the farmer to try artificial insemination. Not wanting to admit that he didn't understand, the farmer simply asked how he could tell when the pigs were pregnant. The vet explained that the pigs would all lie down and wallow in the mud instead of standing around.

The farmer gave it some thought and decided that artificial insemination must mean he had to impregnate the pigs himself. That evening, he loaded all the pigs into his truck, took them out to the woods and fucked them all, before bringing them back and going to bed.

The next morning he went out, saw the pigs were still standing around and took them out to the woods again, banging each one twice for good measure.

The pig fucking went on for a week, until Saturday, when the farmer was too exhausted to get out of bed. He asked his wife to look outside and tell him if the pigs were lying in the mud yet.

"No," she called back. "They're all in the truck, and one of them's honking the horn."

The HUSTLER Dictionary defines *quartet* as: the Havana Symphony Orchestra after a world tour.

Michael Jackson and his wife were in the delivery room, talking to their doctor about the birth of their son.

Jackson turned to the doctor and asked, "Now that she's had the baby, how long until we can have sex?"

The doctor said, "You probably want to wait until he's eight or nine."

An aged and haggard slut walked into a bar with an enormous parrot on her shoulder.

"Any of you swinging limp dicks that can guess the weight of this bird can take me home and fuck me," howled the ghastly woman.

One of the drunks lifted his head and slurred, "Seven hundred pounds."

The woman looked at the drunk, smiled and said, "Close enough."

Question: What's the difference between a clitoris and a remote control?

Answer: A guy will spend considerable time and effort looking for a remote control.

After Jeffrey took Lisa home from their first date, she started giving him head. A few minutes later, he asked if he could come in her mouth.

"Oh, no," she said. "I never let a guy do that on the first date."

"Okay," Jeffrey replied. "How about the last date?"

Pete and Josh were crossing the Sahara Desert when their camel started getting dehydrated. Luckily, they found an oasis nearby; but for whatever reason, the beast refused to drink.

Suddenly inspiration struck: Pete would hold the camel's head underwater while Josh sucked on its asshole so that the water would be drawn into the beast as though through a straw.

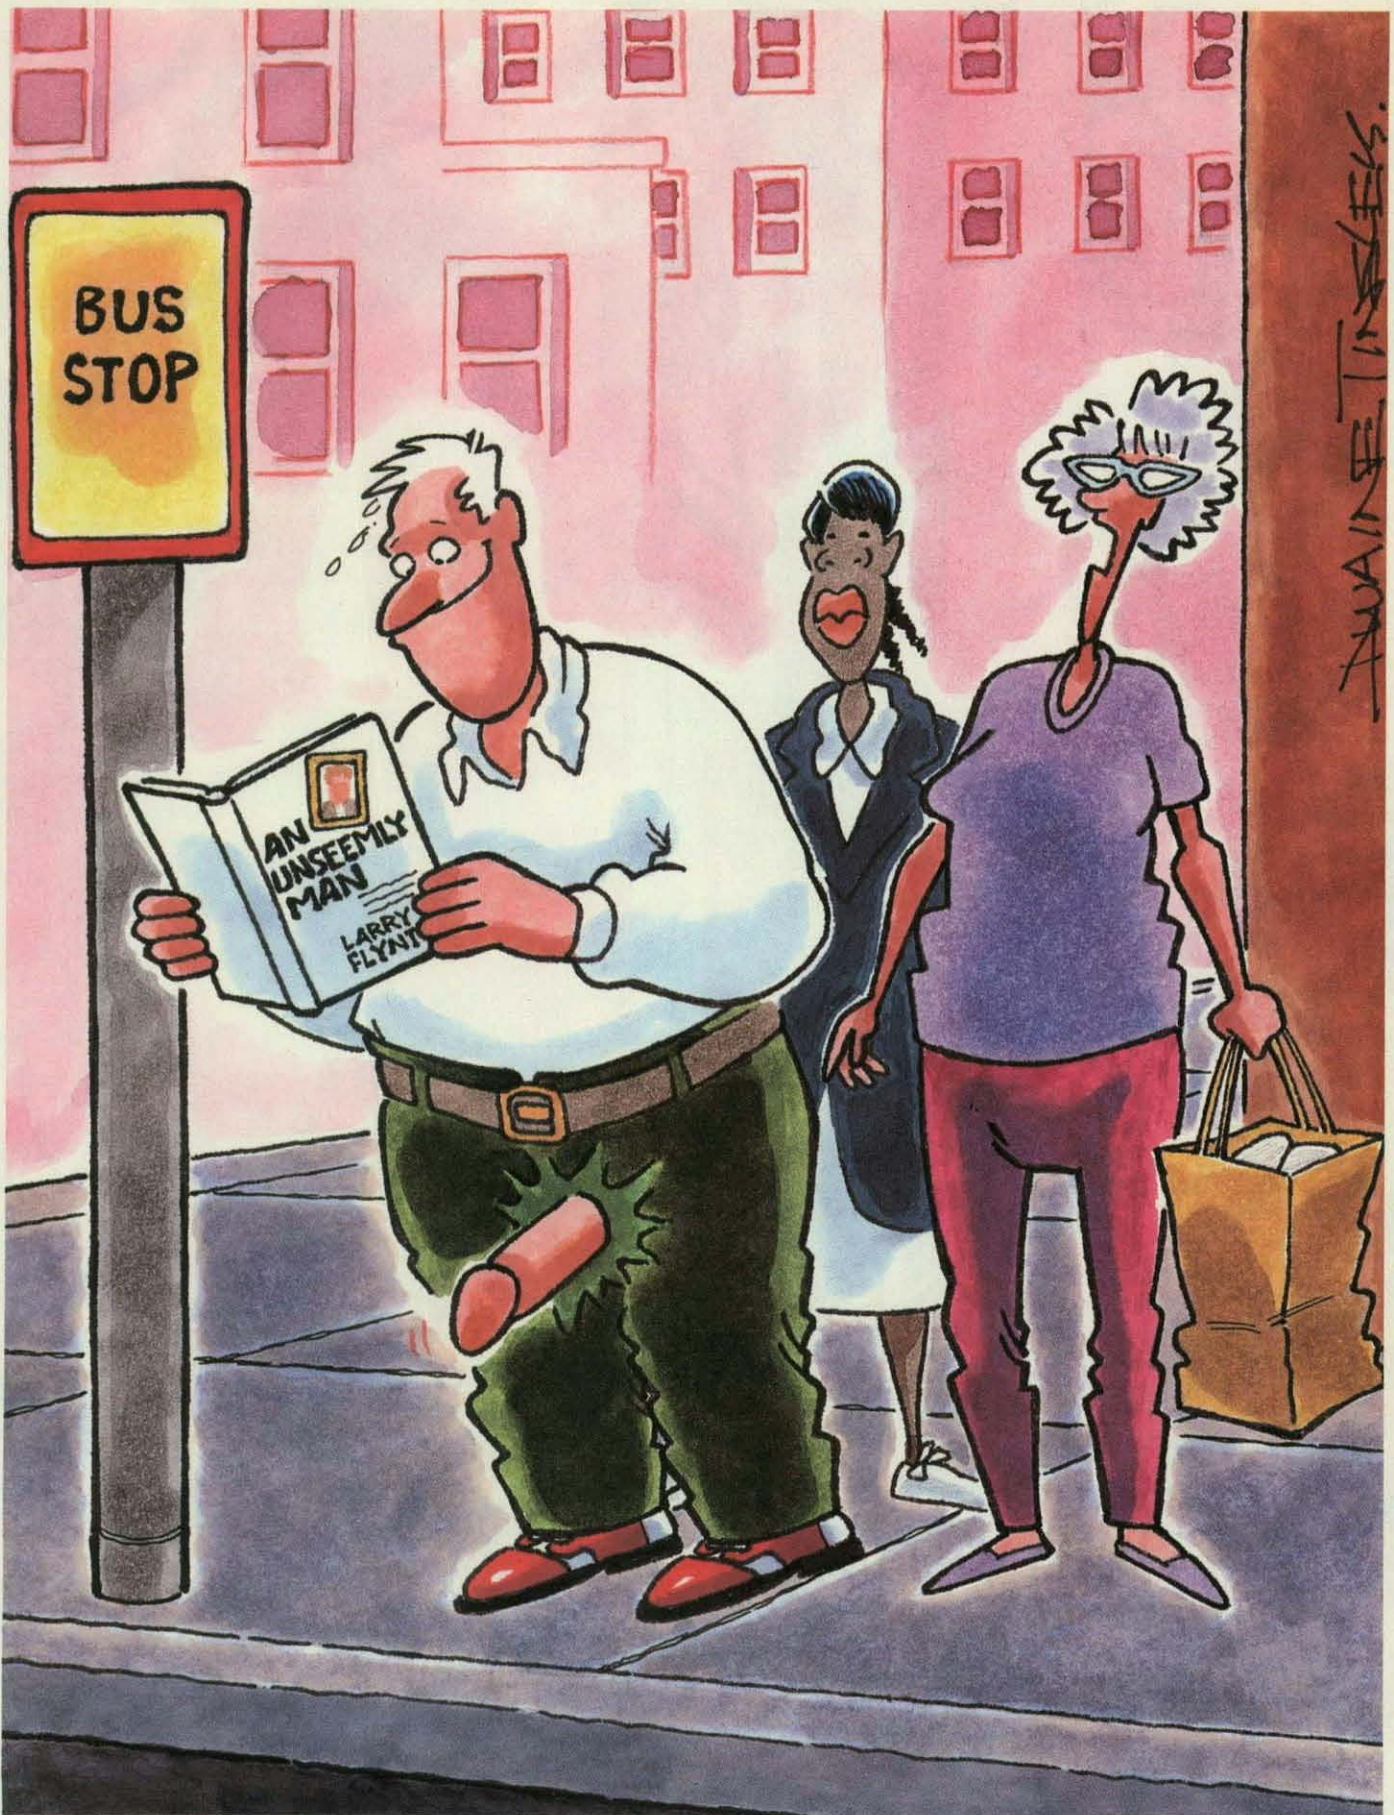

They started to try it, but Josh spat, then yelled out, "Pete, lift his head up a little bit. Right now I'm only getting the mud off the bottom."

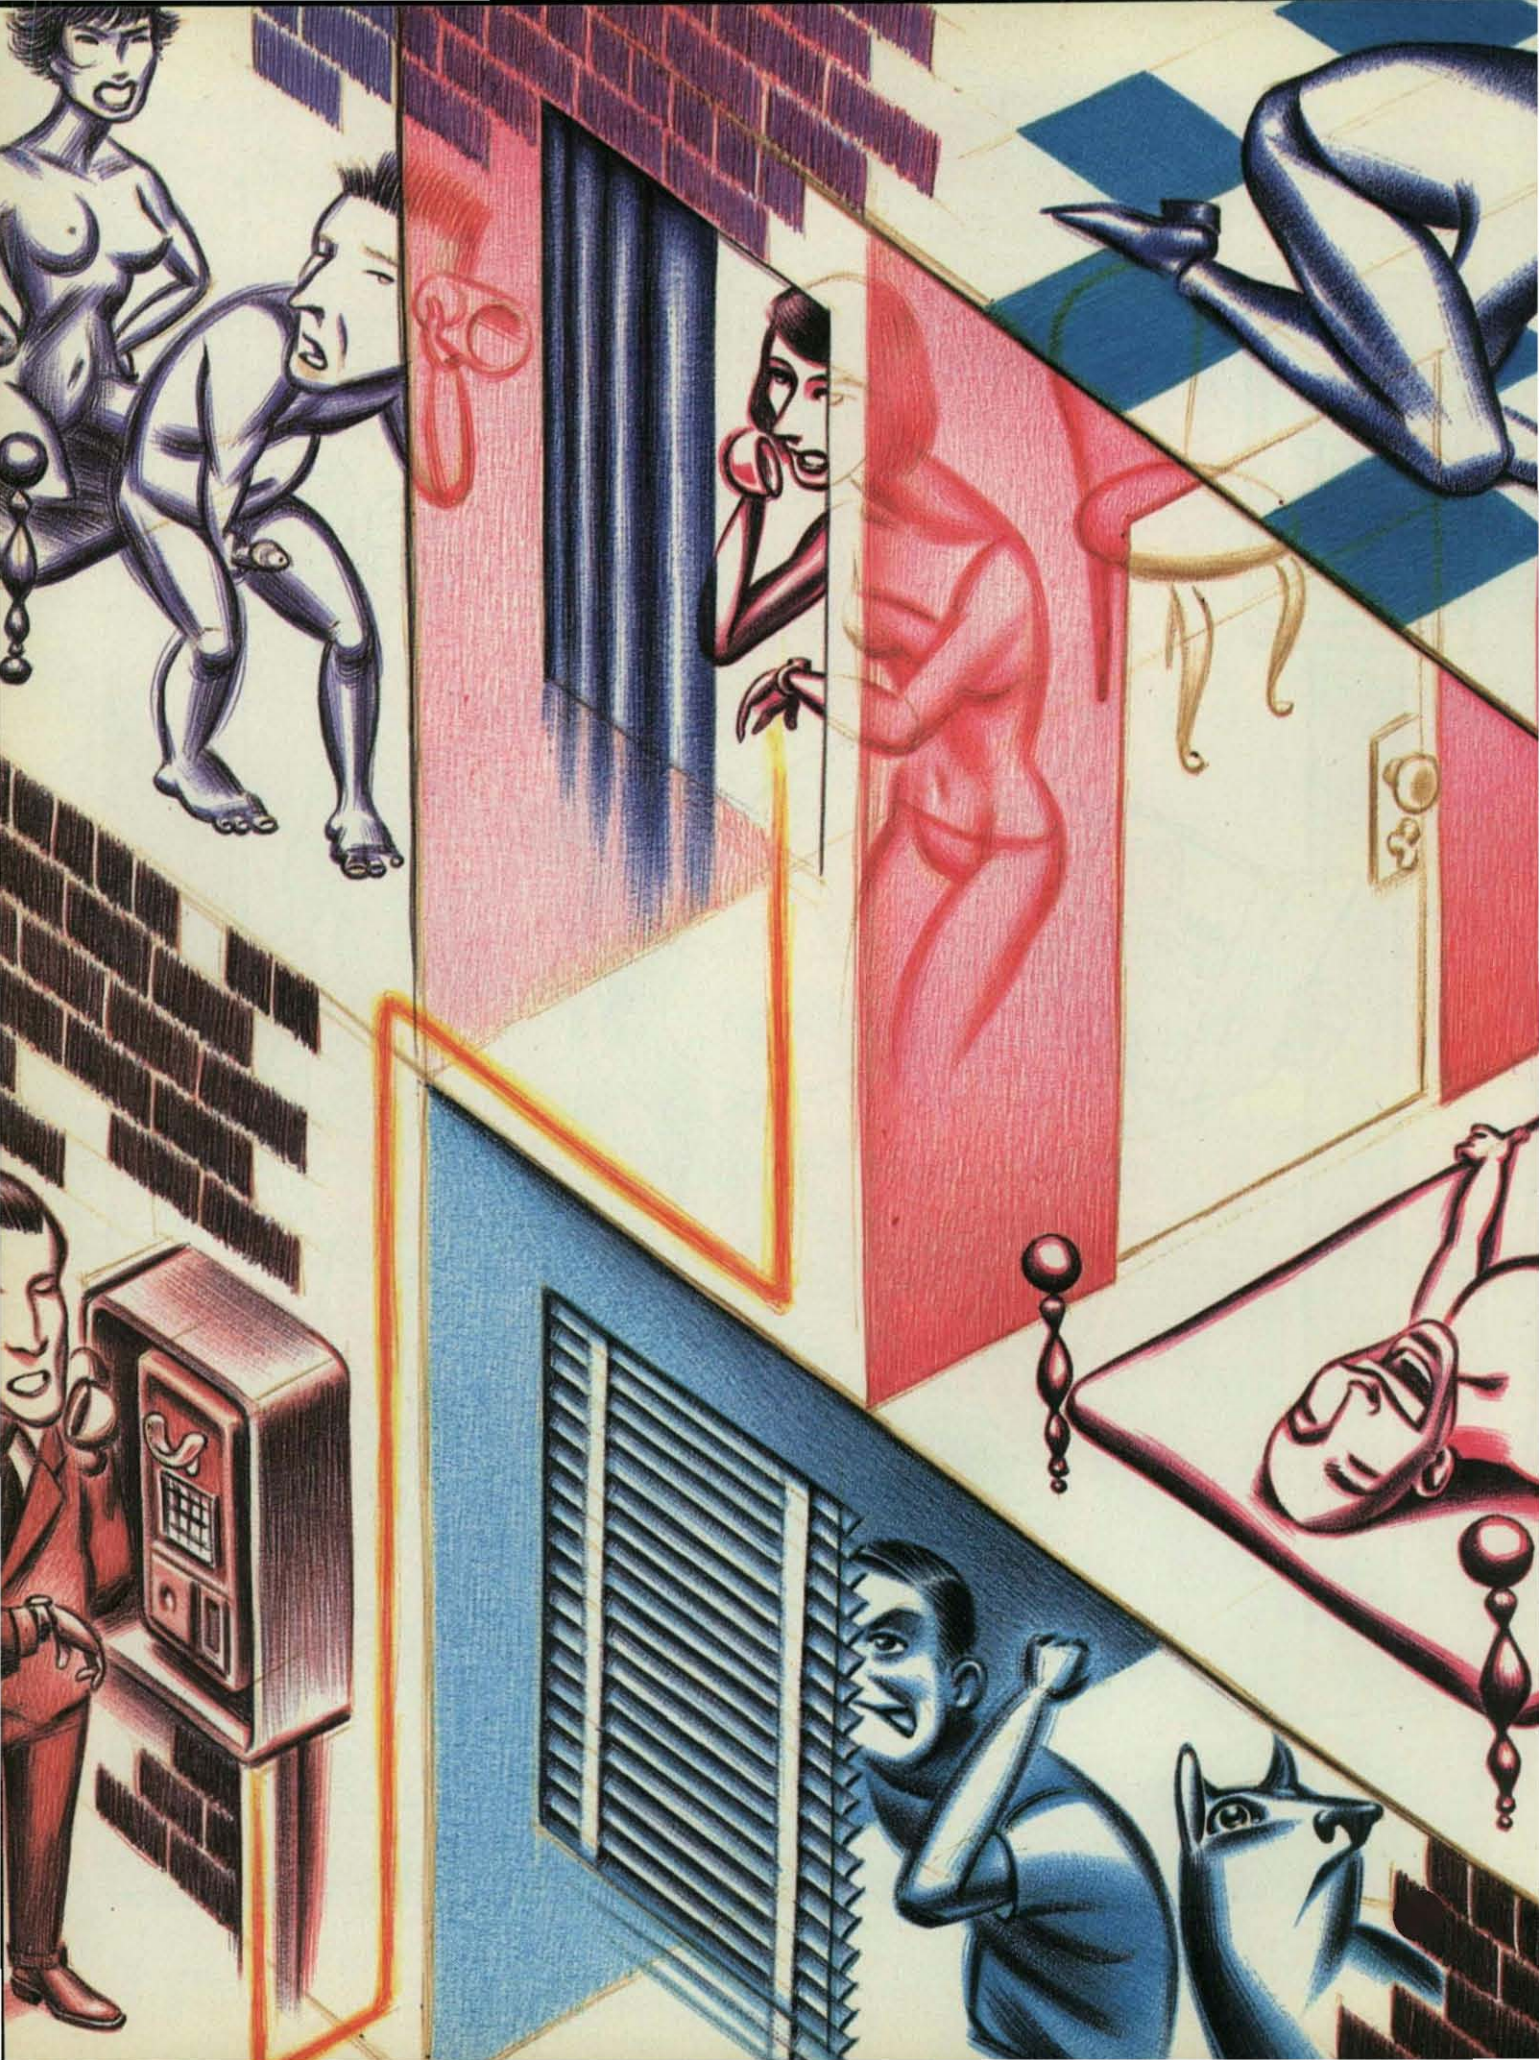

Two old trees in the forest noticed a small tree growing between them and asked a nearby woodpecker about it.

One tree said, "Mr. Woodpecker, you are a tree expert. Is the tree growing between us a son of a beech or a son of a birch?"

The woodpecker took a taste of the small tree and replied, "My friends, it is neither a son of a beech nor a son of a birch. That is the finest piece of ash I have ever put my pecker in."

Turning Tricks Now in a Brothel Near You

REPORT BY J. EDGAR GONZALES
ILLUSTRATION BY LENNY MACE

The disappearance of notorious red-light districts in America's cities and towns has given way to a proliferation of low-profile bordellos, run by small-time madams out of nondescript houses and apartments. **HUSTLER** follows the steady stream of strange men to these neighborhood cathouses and reports on the dens of sin within.

Bordellos

"I depend on my relationships with the landlords, but when other tenants start complaining that their neighbor runs a whorehouse out of her apartment, it makes stability a problem."

Erica P. has been forced to relocate her business four times since the summer of 1995. Her neighbors have all complained about the constant traffic of men in and out of the residential apartment buildings where she has set up shop.

Erica now runs her business from a low-income housing complex in Astoria, Queens, having been kicked out of apartments in Manhattan's Lower East Side, East Village and West Village. She's not happy about it. The new location makes it difficult for her regular clientele to make the trip; so she depends on new clients from surrounding areas to make up the difference.

"It's tough when you don't have heavy connections like other in-call-service operators," Erica says. "I depend on my relationships with the landlords, but when other tenants start complaining that their new neighbor runs a whorehouse out of her apartment, it makes stability a problem."

Especially when you are trying to stay out of prison. Outside of certain counties in Nevada, prostitution is illegal in the United States—meaning that bordello operators in the other 49 states have had to fashion clever means to skirt pandering laws and vice-cop busts. Dolores French, a prostitute who currently works

from her home in Atlanta, Georgia, claims she has serviced clients in numerous apartment-house bordellos around the nation over the past ten years.

When French finds herself in a new city, she doesn't ask the cabdriver at the airport to take her to a hotel—but to the best whorehouse in town.

"If one cabdriver doesn't know, I get out and ride with a cabbie who does," French says. "In small towns in Kansas, Oklahoma or Wisconsin, bordellos can't advertise in the classifieds. It's all by word of mouth. Usually, the places are tucked away in cul-de-sacs or dead-end streets where they're hidden from traffic and patrolling police cars. But local cathouses are basically the same as any New York whorehouse—mostly run by women, safe and discreet."

Big-city bordellos do have one business advantage over their country cousins: an abundance of ad space. New York City's *NYNEX Yellow Pages* lists 45 pages of advertisements from out-call escort services—more than any city in the nation. Since 1968 the metropolis has successfully maintained the porn tabloid *Screw*, whose primary revenue source is the ads it runs from local prostitutes. The back pages of mainstream weekly publications, such as *New York*, the *Village Voice*

and *New York Press*, under "Adult Entertainment," list hundreds of classifieds soliciting clients for their escort or apartment-house bordellos.

Erica's ad in the *Village Voice*, which reads RIPE & READY: FOR LOVE, DESIRE & FANTASY WE ARE IT. IN/OUT MELANIE (along with her telephone number), is typical of the more than 60 advertised operators who run bordellos from regular residential apartments in the Big Apple. The discreet language in the ads must be provocative enough to attract new clients and vague enough to keep away cops.

"Ads are the best way to attract new business," says Erica, who answers phone inquiries from potential clients. "I can tell by how a man speaks if he's a regular to these services, if he's a nervous first timer, if he's a troublemaker, a weirdo or if he's a cop."

Working the phones seductively and cautiously is key to bordello operations. Usually, calls are handled by the madam or by a trained personal assistant—known in the industry as a "phone girl"—who learns what to say and how to screen.

"You answer the callers' questions if they are within reason," says Susan T., a pretty, 22-year-old brunette who works at an apartment-house bordello on 83rd Street and Third Avenue in Manhattan that goes by the name Body Heat, and which has remained in the same location for the past four years.

"Callers want to know price and location. Callers who ask about specific sexual acts or use abusive language, we hang up on. If a man is interested, he makes an appointment with us. We then tell him to call from a phone booth that is near our actual location minutes prior to his scheduled time. At that point, we give him our exact address."

Susan became a phone girl after answering an ad in the *Village Voice*. "I didn't even understand what the position was until I came in for an interview," Susan says.

"Ramona, the woman who manages this in-call service, said it was for a gentlemen's club, and my job was to screen callers and make appointments. When I came in for my interview, I was intimidated. But after seeing what it was all about, after seeing that it was safe, secure and run by women, I said yes. And the fact that it was an off-the-books job sounded good to me."

Susan says she earns \$100 in cash for a five-hour shift with no break that starts at 11 a.m. There are three shifts in total, the last one ending at 2 a.m. Susan attends the

FANNING THE FLAMES

When the mercury rises in Trisha's apartment, she has a time-tested regimen for keeping her cool: a light spray of water, a martini, an air mattress and a lot of fans.

"This heat drives me crazy. Sometimes it's so sweltering in here, I wonder, *Is all this steam coming from me?*

"If the martinis don't cool me off, I usually invite myself over to someplace air-conditioned. It's easy.

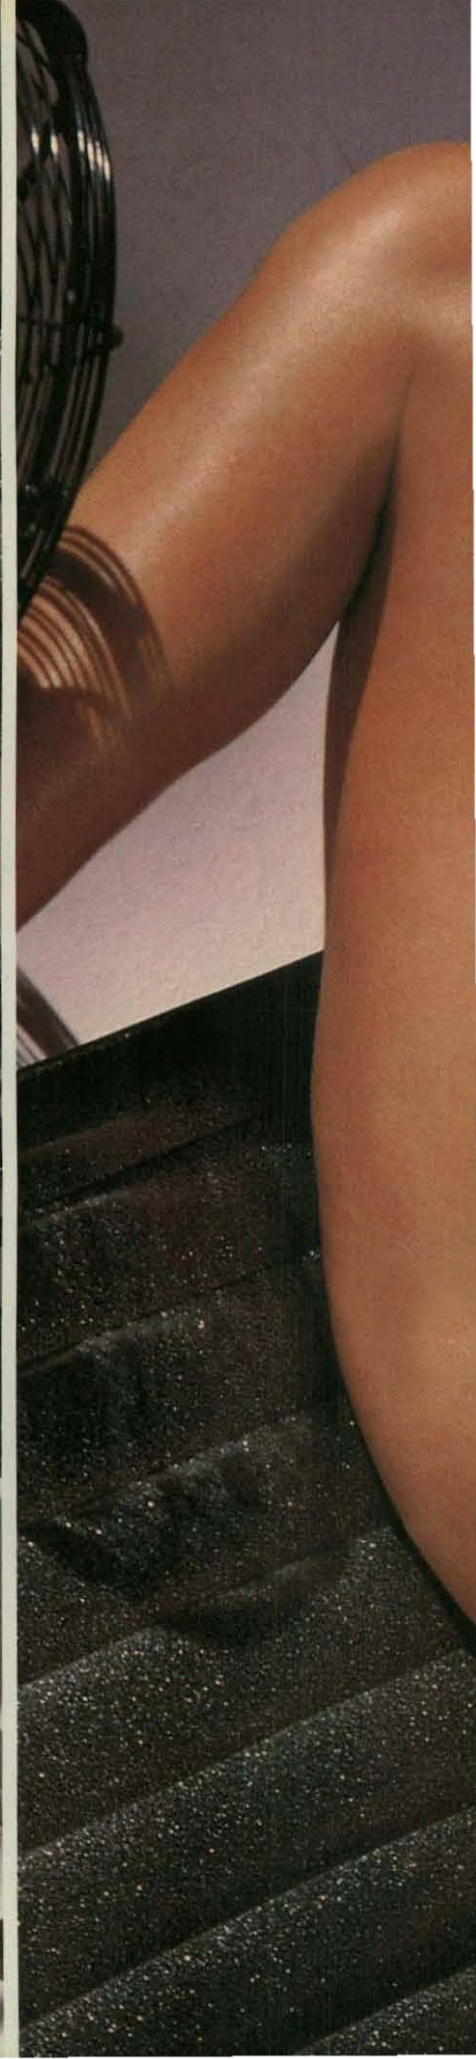

Not all of my fans are in this apartment."

"Prostitutes get me off, but they don't interfere with my marriage. I used to laugh at men who went to hookers, when I was single. Now, as a married man, I'm not laughing anymore."

City College of New York part-time and intends to go to law school. At work, Susan fields so many calls that she wears an operator's headset. She keeps a notepad listing clients' first names and their designated meeting times.

Callers seldom give their real first names, but their images are videotaped via a surveillance camera at the door and kept on record for several months just in case something happens to one of the girls.

"I've had offers to work here as a 'model,' but I can't do it," Susan smiles, taking a sip of fresh iced tea one of the girls made. "Modeling requires a woman who has no problem marketing her sexuality. I take sex too personally."

One prostitute, a blond 20-year-old who says her name is Tori, resembles a Midwestern high-school cheerleader—which is exactly what she was until she was cut from the squad.

"I was raised in Des Moines, Iowa, and went to high school there," Tori says. "After I dropped out, I worked a couple of boring jobs. I decided to leave Des Moines because it's a dead city, and I couldn't get along with my stepfather. I'd always dreamed of New York City. One day I packed up and flew out here."

"When I arrived, I couldn't get a job until I answered an ad in the *Village*

Voice that was seeking models for an in-call service. I wasn't sure what that was; but Ramona, the woman who manages this service, made it sound appealing. I met with her, and the rest is history. I have been here now for almost two years. The money is good—I never take home less than \$800 a day, cash. The house takes half of what I make, but that's the price you pay for security."

Tori's ad runs in *Screw* magazine, accompanied by her picture, age and measurements—34DD, 24, 34. She credits the ad with doubling her business. Her photograph caught the eye of Robert C., an electrical engineer who is married and has two children.

"When I first saw that ad, I thought, *No way a girl that pretty is working a house*. But the woman on the phone insisted the girl was real. I made my first appointment with Tori several months ago," Robert says. "Since then, I have been back more than 15 times."

Three years into his marriage, Robert says he developed an uncontrollable urge to sleep with other women, but he didn't want to risk having an affair.

"Prostitutes are the best resource," he says. "They get me off, but they don't interfere with my marriage. I used to laugh at men who went to hookers, when

I was single. Now, as a married man, I'm not laughing anymore."

Robert remembers being surprised when the phone girl told him that Body Heat was located within walking distance from his apartment. Robert's gym was on 82nd Street and Third Avenue—he had walked past the bordello hundreds of times without ever noticing its existence.

The day of his initial visit to Body Heat, Robert approached the phone booth on 83rd Street and Third Avenue five minutes before his appointment and called. He identified himself as George and was given the building's exact address and the buzzer number.

He looked down the street and spied his destination—it was right next to a restaurant where he often had brunch with his wife.

"I buzzed the buzzer, was let in, and I walked up a flight of stairs. I was faced with two doors. An old woman with shopping bags was going into the door next to the one I was supposed to buzz. After I rang, I heard some voices, and the door buzzed open. Inside, a surveillance camera was trained at me. I walked up a small flight of steps and was met by a group of three women. One of them was wearing a headset.

"I introduced myself to the woman who had the headset, said I had an appointment and mentioned Tori's name. She asked me if I'd ever been there before, and I said no. Behind her I saw two doors. I turned and noticed nine women seated on the couches, dressed in street clothes. They all looked between 20 and 35 years old—some of them were beautiful.

"Behind the couches I saw a bathroom, a small kitchen and a hallway. I was escorted down the hallway and into a bedroom by the woman with the headset. It was a small room, neat, with piped-in stereo music, mirrors and heavy curtains on the windows. The woman told me to make myself comfortable and someone would be with me. Having been with women from escort services, I knew 'making myself comfortable' was code for stripping naked.

"I took out the \$160 I had agreed to over the phone and held it in my fist. In a minute a woman returned and asked me who I was scheduled to see. I said Tori. She nodded and asked for the money. She left saying that Tori would be with me shortly."

Erica P. claims that this screening process is the way all apartment-house bordellos escape prostitution busts.

"When a man arrives, the price and

Bordellos

(continued from page 102)

"She complimented me on how attractive and thick my cock was. Then she took a condom, wet it with her mouth and slid it down my cock with her lips and hand."

the time has already been agreed to on the phone," Erica says. "The guy has to be totally naked before any money is handed over. If he refuses to get naked before passing the money, he's a cop. He always hands it over to one of the clothed receptionists. The amount he gives is for the amount of time he wants. If he does not give the exact amount, he's a cop. If he discusses sex, he's a cop."

"The receptionist leaves with the money, then the model he wants enters the room. At no time is any money given to the model, nor does she request any money. Whatever they choose to do within that time is their business. As far as I know," Erica says with a sly grin, "all they do is talk."

Robert laughs at Erica's rundown. "When was the last time a guy rented a woman by the hour for light conversation?" he asks.

"I sat on the bed and waited," Robert continues. "Then the door opened. It was Tori. She was even more beautiful than in her picture. She wore a black bikini. I asked her to remove her top and bottom. Her breasts were large and naturally firm. I kneaded her tits as she rubbed my chest. We exchanged small talk. She told me she was from Iowa and that she had

just started taking acting lessons.

"Then she moved down and started playing with my cock and balls. She complimented me on how attractive and thick my cock was. Then she took a condom, wet it with her mouth and slid it down my cock with her lips and hand. I had never had a woman do that. She started giving me a sweet and steady blowjob."

"Even with a condom on, my dick in her mouth felt better than being in my wife's pussy, bareback. I begged Tori to ride me rodeo-style. She laughed and positioned her little pussy over my cock and slowly sunk down. The intense heat from her pussy passed right through the condom. She rode me back and forth and told me to grip her ass. She didn't have to ask me twice."

"Then I felt my cock pulse. I was pissed at myself for coming so quick, but it's not like I was fucking someone I had to impress. As I came, Tori pinched my nipples. Then she slowly slid off while I was still erect and played with my cock. As my dick died down, she slid the condom off. I looked at the clock by the bed. We'd only been together for 20 minutes."

Tori admits that the most awkward part of her job is when there is over a half hour left with a client who has just shot his load.

"I prefer a half-hour session. It costs \$120 and earns me the minimum of a \$20 tip from the client, as opposed to an hour for \$180 and a minimum tip of \$40," Tori says. "I try to get as many men off in one shift as possible. Otherwise, I'm stuck with trying to get them hard again for another try; or worse, I am stuck giving them a back rub and hearing stories about how much they love their kids or how much they hate their job."

Ramona, who runs the bordello on 84th Street, would not be interviewed, but Erica P. says she knows her rival by reputation.

"Women like Ramona stay in business because they have connections," Erica says, implying Mafia ties. "Through connections she lands an apartment where none of the other tenants dare make a stink. The neighboring businesses never give her any trouble. The landlord never gives her any trouble—in fact, the landlord either is her connection or squeezes her for twice the rent of any other tenant."

"Cops who snoop around are taken care of by her connections. Her connections take care of people who try to shake her down. I don't have those connections. I am a businesswoman out on my own."

Erica, who worked as a prostitute in the late 1960s, retired, got married, got divorced and worked as a cashier before returning to bordello life as a madam, moves locations and changes her phone number every few months. She places her real name and credit history on the line when signing a lease. If neighbors complain to the landlord—and they always do sometime along the line—she makes arrangements with him by paying him double rent and allowing on-the-house visits if he desires.

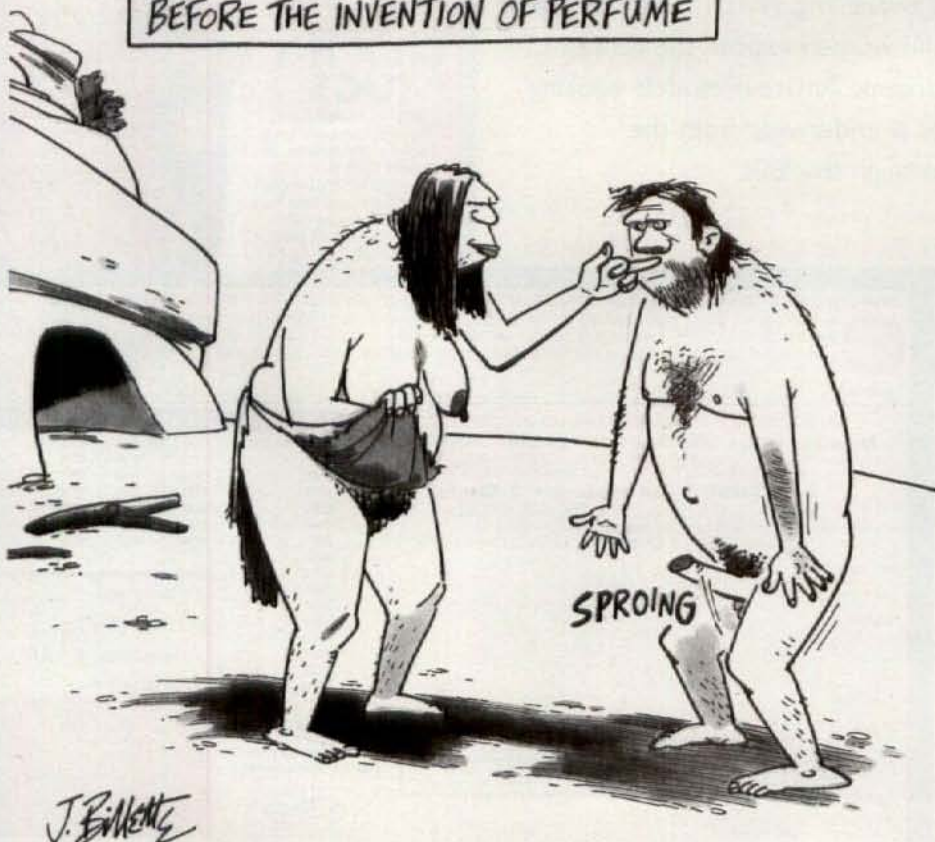

Erica shops at thrift stores to furnish the house. She buys foam egg-crate-style padding to soundproof the walls and heavy rugs to soundproof the floor. Since she employs two of her girlfriends from her old working days to help her run day-to-day operations—both of whom pack small pistols and pepper mace—she does not worry about security.

"My business is too small to be shaken down," says Erica. "When you move location, it's like starting over every time. The girls don't stay for long. The regulars stop coming, and you depend on new faces to stay in business."

Ranee H., 19, has been with Erica for almost a year. She is a pretty girl of Indian descent who decided to try "modeling" after answering an ad in the *Village Voice*.

Harley-Raine is a feature dancer from Erie, Pennsylvania. A 25-year-old beauty, Harley likes waterskiing, traveling and, of course, motorcycles. Her fantasy is to drive her girlfriend around on her Harley (what else?), then give her a champagne/tongue bath. That oughta get her engine roaring.

Mia is a real-life private investigator from Atlanta, Georgia. When she's not undercover, she likes dancing and posing nude. Fucking Layzie from Bone Thugs 'n' Harmony is high on her erotic wish list. Mia's got a case

Brandy is a 36-year-old entrepreneur hailing from Florence, Alabama. Her hobbies are shooting pool, flirting and writing erotic fiction. Among her fantasies are being the center of a gang-bang, appearing in a X-rated movie and enjoying a threeway with a married couple. Brandy would certainly make a nice after-dinner treat.

Photo by Friend

Mileena is an aspiring dominatrix from Spanish Fort, Alabama. Although in-line skating, camping and volleyball are her hobbies, dominating cowboys is her full-time fantasy. Her dungeon is equipped with handcuffs, whips and a black-leather theme. All she needs now are a few roughriders to tame. Get along to Spanish Fort, little doggies.

Photo by Friend

Barbie is a dancer from Oklahoma City, Oklahoma. This 25-year-old knockout loves dancing, playing pool, listening to music and watching football. Her dream is to have sex in an elevator with a football player. We think he'll opt for two-hand touch.

Photo by Friend

This open invitation comes to us from Angel, a 24-year-old Hooters waitress from Chicago, Illinois. When she's not dancing or tanning her 35C-24-36 body, Angel imagines how much fun it would be to have her boyfriend fuck her ass while she eats her first pussy. Sounds like a little slice of heaven.

Photo by Boyfriend

This delectable morsel is Hunter, a receptionist from Troy, Michigan. Working out and dancing are favorite leisure-time activities. Her fantasy is to be seduced by a stripper who will bring her onstage and fuck the hell out of her, making all the men in the audience ache for her pussy. We're aching already.

Photo by Boyfriend

Appropriately, this Beaver goes by the name Spanish Fly. A 25-year-old student from Albuquerque, New Mexico, this Fly girl's hobbies include dancing, singing and reading **HUSTLER**. Her fantasy is to have two men feed her from both ends. She looks like she's got quite an appetite.

Photo by Friend

Proud owner of the happiest hand-carved wooden bear in existence is 26-year-old Julie from Forest Park, Georgia. This customer-service rep likes shopping, working out and kicking back with her friends. Julie wishes to have passionate sex on a scorching beach. Mr. Bear wishes he were anatomically correct.

Photo by Friend

With little or no regard for the upholstery, Amie shows some of the things that make Las Vegas, Nevada, one of the world's most popular tourist attractions. A 25-year-old dental assistant, Amie loves all kinds of outdoor activities, including biking and skiing. Her fantasy is to strap on a dildo and fuck another woman from behind while her husband watches. If you're looking for a good time, Amie seems like a sure bet.

Photo by Husband

Shaved and ready is 20-year-old Melieena, a dancer/model from Honea Path, South Carolina. Melieena explains her decision to enter the *Beaver Hunt*, saying, "If you can put Woody on the cover, and he has no tits, you can put me in the *Hunt*." We can't argue with that kind of logic.

Photo by Husband

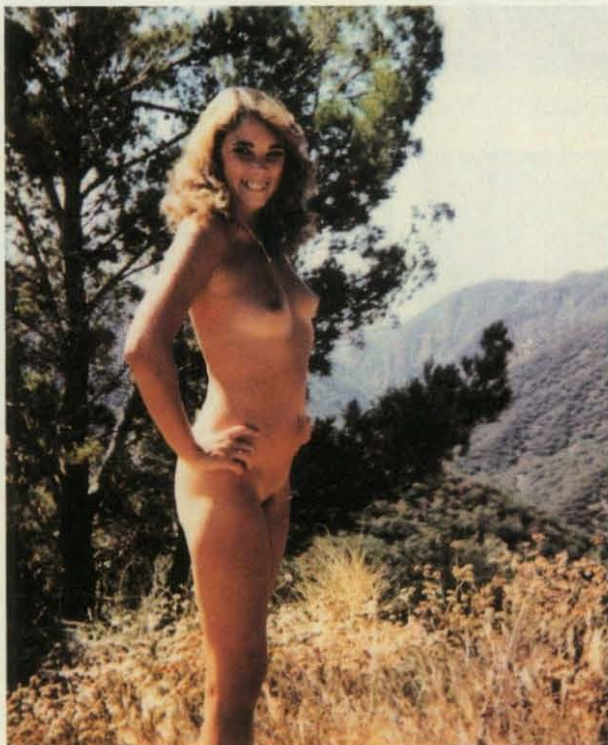

A jet-skiing enthusiast, Devon lives in Asheville, South Carolina. This assembly worker relaxes by lifting weights, playing softball and frolicking on the lake. Her ultimate fantasy is to appear in a *HUSTLER* pictorial with a beautiful blonde whom she could then share with her husband. We hope her *Beaver Hunt* exposure helps out.

Photo by Husband

This 44-year-old siren is Pammy from Portsmouth, Virginia. A longtime HUSTLER reader, Pammy enjoys painting, and daydreams about making love to a fireman on a fire truck. Anyone think they can put out Pammy's four-alarm blaze?

Photo by Husband

Seen here getting back to nature is 32-year-old Sarah from Canyon Country, California. Nudism and exhibitionism are her hobbies, and she loves having sex outdoors while being watched. What a photo—impressive peaks and a fertile valley, and the background's not bad either.

Photo by Boyfriend

A hairstylist by trade, Rie enjoys camping, hiking and good comedy. This Mingo Junction, Ohio, native fantasizes about bringing home a cutie to share with her husband. To any prospective cuties: Be careful. Rie looks like she could eat you alive.

HEAVY DUTY VACUUM PUMP BUILDS UP AMAZING BUCKLE

YES, your penis can be enlarged, because two-thirds of your penis is made up of muscle tissue known as corpus cavernosum. This tissue is expansive due to the lacunar spaces. The vacuum pump method for penis enlargement uses a process medically referred to as hyperemia. When the airtight vacuum pump cylinder is placed around your penis, blood rushes into the muscle portion of your penis. The muscle tissue expands to the maximum, breaks down and then rebuilds into larger and stronger muscles, similar to bodybuilding.

Bordellos

(continued from page 108)

"Liza's pussy was hot and tight, but I missed Ranee's little cunt. I asked Ranee to fuck me on top. Liza shoved her tits in my face, and I sucked them while feeling up Ranee's chest."

"I love sex, and I love money, and the idea of putting the two together seemed exciting," Ranee says, conjuring images she saw in her favorite film, *Pretty Woman*. "The first time I was nervous. The guy I was with was pretty weird. He was rough and talked dirty, and I was ready to quit. But Erica talked me out of it. She apologized for not having screened him and promised she would let me keep all the money for the next two days. Then it got better. The guys were actually pretty attractive—almost all of them are white, but some of them are Hispanic, black, Asian, even Indian. Most are married or have girlfriends. The regulars are the best."

One of Ranee's regulars is Andre G., an African-American attorney who went to Erica's bordello as a last resort.

"I didn't like the way I was treated at other places I had gone to," George says. "One place said over the phone they didn't service blacks. I called the cops on them, making up some story about hearing a shooting. At the other places, the girls acted like they were doing me a favor. I mean, these are just fucking white-trash whores, and they think they are better than black people!"

"Anyway, when I went to Erica's, I was happy to see that she employed

young girls of color—Hispanic, Asian, Indian, black. Now I am treated with respect, and I get the fuck of my life."

Andre had always fantasized about sex with two women at once. After hearing on the phone that he could buy 40 minutes with Ranee and a 20-year-old Hispanic girl named Liza, he fought to hide a throbbing hard-on throughout his subway ride to Queens.

"It was great! Once we were naked, both Ranee and Liza rubbed their hands all over me. I soul-kissed Ranee as Liza sucked my cock. I didn't even notice that she'd put a condom on me. Then the girls switched, and I was soul-kissing Liza."

"Both of these girls are beautiful, young, with great tits and soft, firm bodies. I was horniest for Ranee; so I climbed on her and slowly fucked her. Liza climbed on my back as I pounded into Ranee. Then I switched and fucked Liza the same way. Liza's pussy was hot and tight, but I missed Ranee's little cunt. I asked Ranee to fuck me on top. Liza shoved her tits in my face, and I sucked them while feeling up Ranee's chest."

"There was a moment when all three of us were kissing each other with our tongues. I always thought that hookers never kissed; so the fact that we were tonguing each other made the sex even

more exciting. I was fucking Liza again when there was a knock on the door. We had five minutes left. I needed to come inside Ranee. So I climbed on her and fucked her twat with short, fast strokes. When I dropped my knot, I thought I was going to pass out."

Rachel M. is a blond 28-year-old who resembles *Friends* actress Lisa Kudrow. Rachel worked at an in-call service on West 57th Street and Broadway before moving to Erica P.'s bordello. During the two years she worked on 57th Street, she kept the names and numbers of steady clients. When she joined with Erica, she carried a valuable list of 30 names.

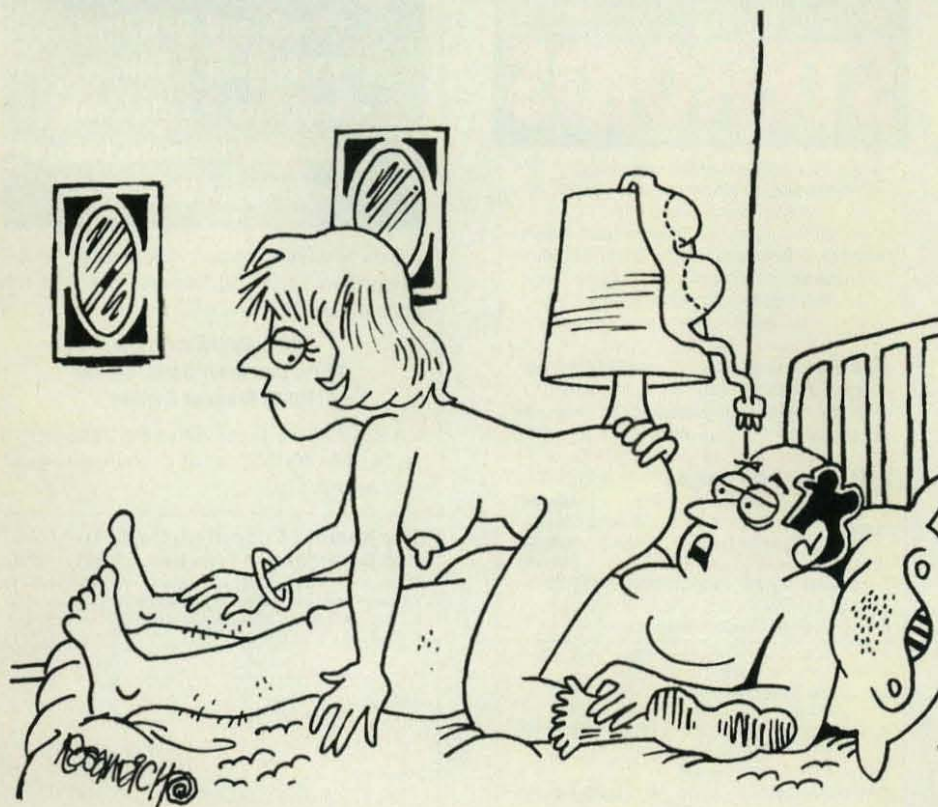

"The service on 57th Street discriminated against blacks," Rachel says. "The madam said that black guys work the girls too hard and wear them out, but really she was just a racist. Lots of the women who work in this business are stupid cunts. They have no trouble fucking a fat, potbellied, balding, old white man, but will turn down a guy who looks like Denzel Washington because he's black. I brought my list of regulars to Erica because I knew I wouldn't have to put up with that kind of bullshit."

* * *

A man willing to pay for pussy, whether he resides in New York, Los Angeles or any small town in between, would be well-advised to consider in-call services. Bordellos provide a safe alternative to cruising for streetwalkers and are less expensive than out-call prostitutes. Whorehouses also offer customers greater anonymity than escort services, which require the address and phone number where a client is staying and will press new customers for a credit-card number.

"Never use a credit card," warns Rachel M. "If you're going to fuck a callgirl, use cash. A credit card identifies you. When Heidi Fleiss was busted, she kept the credit-card receipts of her clients, like Charlie Sheen. If Sheen had used cash, there wouldn't have been a paper trail to prove that he spent thousands of dollars on hookers. Same for phone records; always use a pay phone when you call a service."

"Most importantly," Rachel adds, "when you're with a working girl, be nice to her. The nervous energy of a working girl turns into bitchiness. If you relax her, the bitchiness will disappear, and you can concentrate on great sex. Consequently, she will fuck you so good that you will want to see her again. We all want regulars, and all our regulars are nice guys. Nice guys finish last and come the hardest!"

"Wonder why women had to be born with the exhaust system so close to the intake manifold?"

Lilith

Foreign Exchange

PHOTOGRAPHY BY DENYS DEFRADESCO

"When Mr. Alexander first saw me, he said I was an au pair with a beautiful au pair. He says I am very good to his self.

"I like working for this family. I help with the cooking, the cleaning and the washing. I wash Mr. Alexander at night. In the daytime I help Mrs. Alexander feel pretty.

"Mrs. Alexander shows me how to be a real American woman, how to kiss."

Lilith blushes slightly. "And how to make love."

"When I'm done draining their bank accounts, I might just let her come with me."

ENLARGE YOUR PENIS TO ITS MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

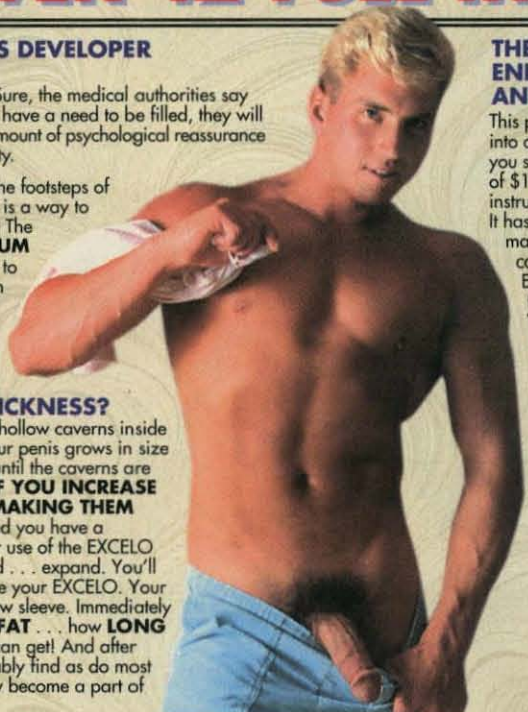

THE EXCELO IS THE ONLY PENIS DEVELOPER YOU WILL EVER NEED!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE AND THICKNESS!** The device is called the **EXCELO ELECTRIC VACUUM ENLARGER.** A safe and proven natural way to add inches to penis length and thickness. With the EXCELO, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE EXCELO ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. **BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD** and you have a correspondingly longer, thicker penis. Regular use of the EXCELO gently urges the caverns to expand... expand... expand. You'll see the astonishing results the first time you use your EXCELO. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG**... how really **FAT**... how **LONG**... how **HARD** and **STIFF** your own penis can get! And after regular sessions with the EXCELO you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE EXCELO IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of \$100 - the EXCELO is "quiet as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. And, of course there are two other models available - to fit any budget. The EXCELO is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONGER** and **THICKER.** If you are truly serious about penis enlargement - the EXCELO will do the job for you!

THE ONLY SYSTEM THAT OFFERS AN EASY "HOW-TO" BOOK FOR THE MOST COMPREHENSIVE INSTRUCTION POSSIBLE!

Other so called enlargement systems might offer a shoddy, pieced-together hodge-podge book to show the product in action. **NOT OUR SYSTEM.** Our book was produced by the manufacturer of the pump, designed to get you **BIG** and **HARD** in the shortest time possible!

ALL THIS... WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all the EXCELO System does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system is a truly unbelievable bargain at the prices offered.

DR. BROSS PENIS ENLARGEMENT

You can have a longer, thicker, harder penis now!

Our customers tell us 9 inches...10 inches... even a BIG 12 inches is possible!

You can have a powerful erection and stay hard as long as you wish!

My name is Dr. Bross and I want you to know that the *Penis Vacuum Pump* is an effective method for penis enlargement. It is also becoming the #1 medical treatment for impotence and premature ejaculation and to increase sex drive and sexual performance.

• The small flaccid penis before using the Penis Pump.

• Pumping up with the world's largest selling Penis Pump.

• After using the Penis Pump a harder and much longer penis.

• After using the Penis Pump even without an erection the penis "hangs" thicker and longer.

Why my Complete Penis Enlargement System will work for you where others fail.

I have included in my system an easy to follow step-by-step instructional video and magazine and the worlds largest selling penis vacuum pumps used successfully for 25 years and with over 10 million satisfied customers.

You will see how other men succeed and reach **mammoth proportions**. By following the instructions and demonstrations you can also be successful with our Penis Enlargement Pumps. Pumps sold by mail order dealers used for masturbation (squeeze bulb pumps, pumps requiring erection rings, massage pumps with vibrating electric motors) **do not** create enough vacuum to enlarge your penis.

To be successful you need our "made in the U.S.A." power pumps with the extra long 10 inch piston assembly that creates more vacuum than any pump available at any price.

Deluxe Stroker Penis Pump \$24.95

Super Power Trigger Pump \$39.95

Important- We offer the Stroker and Power Trigger Pump that helps you maintain an erection without using a prolong or erection ring.

Do not accept any substitutes from mail order dealers at any price. This is the original **Dr. Bross Complete Penis Enlargement System.**

You can order with your Visa, Mastercard and American Express credit card. Phone in your order toll free or fax your order for immediate delivery.

This is why your penis can be enlarged.

Approximately 2/3 of your penis is made up of muscle tissue called corpus cavernosum and that tissue can expand. Penis Enlargement uses a process called hypermatiation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

What my Penis Vacuum System can do for you.

1. Increase penis length and thickness.
2. Stimulate a harder and more powerful erection.
3. Exclusive design helps maintain your erection for as long as you wish without an erection or prolong ring.
4. Increase confidence, sex drive and sexual performance.
5. Intensify your orgasm.

How to order my Complete Penis Enlargement System

The same type of pumps prescribed by doctors can sell for up to \$500.00. I have made special arrangements for you to buy my system direct from the manufacturer at a tremendous savings and a prescription is not required.

HUSTLER

THE TRIM REAPER

October's HUSTLER is an All Holes Night, when horny devils and high-spirited sinners ignite your wood in a bonfire of the profanities. A dirty blonde squats for a roadside squirt, then goes bobbing for a hot-rod's apples; a haunting brunette and a raging redhead find succor in muff goblin, until one magical snatch makes a carrot disappear; a super-natural dairy queen serves up the bigger, sweeter double milk shakes, each with a cherry on top; a cowgirl with an itchy trigger finger aims to please her pussy; a freckle-faced filly frigs herself silly; and a hot-lipped, blue-eyed sex witch models the season's highest fashions in low-down lingerie. In October, knock on HUSTLER's door for the nastiest treats turning the sweetest tricks.

DR. FUCKENSTEIN

Plumper, snugger snatches, fatter cocks and perfect, perky nerps are only a few thousand dollars and a surgeon's blade away. In *Doctor Pussy: The Genital Genius of Beverly Hills*, correspondent Peter Arno profiles Dr. Gary Takowsky, a cutting-edge plastic surgeon on a mission to put a thicker, creamier head on half-pint pricks and refit 50-year-old women with teen-tight twats. Could a Nobel Prize be far off?

UNHOLY MATRIMONY

Everyone wants a wife who looks and fucks like a porn star, but what kind of man can handle having a porn star for a wife? In *Marriage, Porn-Style*, correspondent Calvin Moore goes home with smut's hottest sluts and studs and finds out how public perverts unwind in private after a hard-core day at the orifice.

CHILLS AND SPILLS

October's *Sex Play* looks back at the peep-show wonderland that once flourished on New York City's 42nd Street in "Diary of a Scum Mopper: Down and Dirty on the Deuce." *Erotic Entertainment* stows away for Captain Pussyman's adventure on the high sleaze; and *Beaver Hunt* continues its home invasion of the booty snatchers. Next month, HUSTLER's diving deep on a hunt for pink October. Prepare to launch torpedoes. Full cream ahead!
